PROXY STATEMENT

This proxy statement contains information relating to our 2007 Annual Meeting of Stockholders to be held at 10:00 a.m., local time, on May 31, 2007, at the Luxe Hotel Sunset Boulevard Bel-Air, 11461 Sunset Boulevard, Los Angeles, CA 90049 and to any adjournments or postponements. This proxy statement and the enclosed form of proxy are first being mailed to stockholders on or about May 4, 2007.

ABOUT THE MEETING

What Is The Purpose Of The Annual Meeting?

At the annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including

- the election of seven directors,
- the ratification of Piercy Bowler Taylor & Kern as our independent auditors.

The stockholders also will transact any other business that properly comes before the meeting.

Who Is Entitled To Vote?

Only stockholders of record at the close of business on the record date, April 20, 2007, are entitled to receive notice of the annual meeting and to vote the shares of our common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

Who Can Attend The Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend. Please note that if you hold shares in “street name,” that is, through a broker or other nominee, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date. You will also need a photo ID to gain admission.

What Constitutes A Quorum?

The presence at the meeting, in person or by proxy, of the holders of 40% of the total number of shares of our common stock and preferred stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 19,322,276 shares of our common stock were outstanding and held by approximately 142 stockholders of record. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining a quorum but will not be counted as votes cast “for” or “against” any given matter.

If less than 40% of outstanding shares entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

How Do I Vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and you attend the meeting, you may deliver your completed proxy card in person. “Street name” stockholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

Prior to the annual meeting, we will select one or more inspectors of election. These inspectors will determine the number of shares of common stock represented at the meeting, the existence of a quorum, the validity of proxies and will count the ballots and votes and will determine and report the results to us.

May I Change My Vote After I Return My Proxy Card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy

holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What Are The Board's Recommendations?

The enclosed proxy is solicited on behalf of our board of directors. Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. The recommendation of the board of directors is set forth with the description of each item in this proxy statement. In summary, the board of directors recommends a vote:

- FOR the election of the nominated slate of directors (see pages 4-12).
- FOR the ratification of Piercy Bowler Taylor & Kern as independent auditor (see pages 13-14).

The board of directors does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate board nominees. In the event that any other matter should properly come before the meeting or any nominee is not available for election, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in accordance with their best judgment.

What Vote Is Required To Approve Each Item?

Election Of Directors. A plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors.

Ratification of Piercy Bowler Taylor & Kern. An affirmative vote of a majority of the votes cast at the meeting is required for the ratification of the independent auditor. A properly executed proxy marked "ABSTAIN" with respect to ratification will not be voted with respect to ratification, although it will be counted for purposes of determining whether there is a quorum.

Other Items. For any other item which may properly come before the meeting, the affirmative vote of a majority of the votes cast at the meeting, either in person or by proxy, and voting will be required for approval, unless otherwise required by law. A properly executed proxy marked "ABSTAIN" with respect to any of those matters will not be voted, although it will be counted for purposes of determining whether there is a quorum.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some matters that may be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. However, shares represented by these "broker non-votes" will be counted in determining whether there is a quorum.

Who Pays For The Preparation Of The Proxy Statement?

We will pay the cost of preparing, assembling and mailing the proxy statement, notice of meeting and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies and we may reimburse those persons for their expenses incurred in connection with these activities. We will compensate only independent third party agents that are not affiliated with us but solicit proxies. At this time, we do not anticipate that we will be retaining a third party solicitation firm, but should we determine, in the future, that it is in our best interests to do so, we will retain a solicitation firm and pay for all costs and expenses associated with retaining this solicitation firm.

You should review the information provided in this proxy statement in conjunction with our 2006 Annual Report to Stockholders, which accompanies this proxy statement. Our principal executive offices are located 4670 South Fort Apache Road, Suite 190, Las Vegas, Nevada 89147 and our telephone number is (702) 221-7800. A list of stockholders entitled to vote at the annual meeting will be available at our offices for a period of ten days prior to the meeting and at the meeting itself for examination by any stockholder.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers and persons who own more than ten percent of our outstanding common stock, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock. These persons are required by SEC regulation to furnish us with copies of all such reports they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, we believe that all Section 16(a) reports were timely filed by our officers, directors and greater than ten percent beneficial owners, except that the filing of Form 4s with respect to one restricted stock grant to each of our executive officers and directors were not filed timely on Forms 4, Mr. Iacocca did not timely file a Form 4 with respect to a change in the ownership of LKL Family Limited Partnership in December 31, 2004 and Form 3 filings for new directors Kenneth Adams and Kathleen Caracciolo were not filed timely.

Assumptions used in the calculation of these amounts are included in Note 11 to our consolidated financial statements included in our Annual Report on Form 10-KSB for the year ended December 31, 2006.

Independent Directors

Under the corporate governance standards of the American Stock Exchange, or AMEX, at least 50% of our board of directors and all of the members of our audit committee, compensation committee and the nominating committee must meet the test of independence as defined by the listing requirements of AMEX, subject to certain exceptions. Our board of directors, in the exercise of its reasonable business judgment, has determined that J. Michael Paulson, Kenneth R. Adams, Carl G. Braunlich, and Kathleen M. Caracciolo qualify as independent directors pursuant to the AMEX and SEC rules and regulations. Our board of directors had determined that Mr. Miller was an independent director prior to his agreement to serve as our chief financial officer and that Mr. Iacocca was an independent director prior to entering into a consulting agreement with us. In making the determination of independence, our board considered whether an independent director has a material relationship with Full House, either directly or as a partner or shareholder of an organization that has a relationship with Full House or any other relationships that, in our board's judgment, would interfere with the director's independence. As described below under the heading "Certain Relationships and Related Transactions," our board considered the negotiations regarding payments with respect to transactions from 2001 between us and a trust of which Mr. Paulson is the trustee, and determined that these matters did not impair Mr. Paulson's independence. In the late 1980's and early 1990's, Messrs. Hilliou and Miller and Ms. Caracciolo were employed by Showboat, Inc. or a subsidiary thereof and were professionally associated through such employment. The board determined that this relationship does not impair Ms. Caracciolo's independence.

Meetings and Committees of the Board of Directors

Meetings. During fiscal year 2006, the board of directors held four regular meetings and one special meeting. Each of our directors attended at least 75% of the aggregate of the number of meetings of the board of directors which were held during the period such person served on the board of directors and the number of meetings of committees of the board of directors held during the period that such person served on such committee. We have no specific requirements regarding the attendance at the annual meeting of stockholders by our directors. In 2006, all of our directors attended the annual meeting in person.

We have three standing committees: the audit committee, the nominating committee and the compensation committee.

Audit Committee

Prior to January 2007, our audit committee was comprised of three members, Mr. Miller, Dr. Braunlich and Mr. Paulson. On January 10, 2007, Mr. Miller was replaced by Kathleen M. Caracciolo as Chair and financial expert on the Committee. Our board had determined that both Mr. Miller and Ms. Caracciolo, are audit committee financial experts as defined by the rules and regulations of the Securities and Exchange Commission. Our board of directors in its reasonable judgment has determined that each member of the audit committee is independent as defined under the applicable AMEX listing standards and federal law, except that Mr. Miller was no longer independent after agreeing to become our chief financial officer and resigned from our board of directors and the audit committee. Our audit committee held four meetings in 2006.

The audit committee's functions include overseeing and monitoring the activities of our financial reporting process, our systems of internal controls over financial reporting and the integrity of our financial statements, the independent auditors' qualifications, independence and performance, and to assist our board of directors in ensuring our compliance with legal and regulatory requirements in our financial reporting process. Our board of directors has adopted a written charter for the audit committee setting out the functions that it is to perform. The text of the charter is available on our website at www.fullhouserescorts.com.

Please refer to the audit committee report, which is set forth on page 15, for a further description of our audit committee's responsibilities and its recommendations with respect to our audited consolidated financial statements for the year ended December 31, 2006.

Compensation Committee

The compensation committee is comprised of three members, Messrs. Paulson, Iacocca, and Dr. Braunlich. Dr. Braunlich acts as chair of the compensation committee. Our board of directors, in its reasonable judgment has determined that each member of the compensation committee is independent as defined under the applicable AMEX listing standards, except that Mr. Iacocca no longer met the definition of independent upon entering into a consulting agreement with us in September 2006. The board considered the nature of the consulting relationship with Mr. Iacocca in which we agreed to provide equity compensation for services similar to those Mr. Iacocca had previously provided to us without compensation. In addition, the board considered Mr. Iacocca's substantial business experience generally and with Full House, his business relationships which have in the past provided us with development opportunities and his stock ownership and determined that it was in the best interest of Full House for Mr. Iacocca to continue as a member of our board of director's compensation committee. Our compensation committee held two meetings in 2006.

The compensation committee's functions include reviewing and making recommendations to the board of directors regarding all forms of compensation to be provided to our executive officers and directors. Our board of directors has adopted a written charter for the compensation committee setting out the functions that it is to perform and has recently amended the charter. The text of the charter is available on our website at www.fullhouserescorts.com.

In order to fulfill the function of reviewing executive compensation for the board of directors, our compensation committee has retained the services of HVS International, an internationally recognized executive employment consultant which provides advice on industry-specific comparisons and trends. The compensation committee selected the consultant without recommendation from management and directs the consultant with respect to the services requested. During 2006, our compensation consultant was requested to survey comparably sized gaming companies and provide information on executive base and incentive compensation and employment agreement terms. Management provides recommendations to the committee on the amount and type of executive compensation as well as individual performance objectives for bonuses and incentive compensation, and the committee reviews these recommendations along with the information provided by the executive employment consultant to formulate the committee's recommendations to the board of directors. The compensation

committee determines the fulfillment of the individual performance objectives and approves individual bonus and incentive compensation amounts. In March 2007, the compensation committee determined to offer employment agreements to several of our key executives. The compensation committee provided forms of agreements to our chief executive officer, chief financial officer and certain other executive officers and negotiated the terms of these agreements with these executives. In the judgment of the compensation committee, these employment agreements help ensure the retention of these key executives.

Independent director compensation was based on recommendations provided by management in 2005. These recommendations were determined by management to be at the low end of comparably sized companies in the gaming industry but recommended as a needed retention incentive.

Nominating Committee

Our nominating committee is comprised of two members, Messrs. Paulson and Iacocca. Mr. Paulson acts as chair of the nominating committee. Each member of the nominating committee is independent as defined under the applicable AMEX listing standards, except that Mr. Iacocca no longer met the definition of independent upon entering into a consulting agreement with us in September 2006. The board considered the nature of the consulting relationship with Mr. Iacocca in which we agreed to provide equity compensation for services similar to those Mr. Iacocca had previously provided to us without compensation. In addition, the board considered Mr. Iacocca's substantial business experience generally and with Full House, his business relationships which have in the past provided us with development opportunities and his stock ownership and determined that it was in the best interest of Full House for Mr. Iacocca to continue as a member of our board of director's nominating committee. The nominating committee held two meetings during 2006 at which it considered the qualifications of Mr. Adams and Ms. Caracciolo. These nominees for appointment to the Board were approved by the Board as whole, sitting as the nominating committee. In addition, the Board as a whole met and approved the slate of nominees standing for election by the shareholders.

Our board of directors has adopted a written charter for the nominating committee setting out the functions that it is to perform and has recently amended the charter. The text of the charter is available on our website at www.fullhouseresorst.com.

Our nominating committee's functions include assisting our board of directors with respect to nominating new directors. To fulfill its responsibilities and duties, the committee, among other things;

- determines periodically, as appropriate, desired board qualifications, expertise and characteristics, including such factors as business experience, skills and knowledge with respect to gaming, finance, marketing, financial reporting, regulatory and any other areas as may be expected to contribute to an effective board;
- determines periodically, as appropriate, whether there are any specific, minimum qualifications that the nominating committee believes must be met by a nominee approved by the nominating committee for a position on the board and whether there are any specific qualities or skills that the nominating committee believes are necessary for one or more directors to possess;
- conducts searches for potential board members with corresponding attributes as needed;
- evaluates, proposes and approves nominees for election or appointment to the board; and
- considers, evaluates and, as applicable, proposes and approves, stockholder nominees for election to the board.

The nominating committee will consider stockholder recommendations for director candidates and will do so in the same manner that it considers all director candidates. There are no specific, minimum qualifications that must be met by a director nominee recommended by a stockholder except as provided for by applicable law. A stockholder wishing to recommend a prospective director nominee for consideration should send notice to Full House Resorts, Inc., Attention: Nominating Committee c/o Company Secretary, 4670 Fort Apache Road, Suite 190, Las Vegas, Nevada 89147. To be included in our proxy for our next annual meeting, the notice of recommendation must be made in writing and received by our Secretary by January 4, 2008. Although the committee's charter permits the committee to engage a search firm to identify director candidates, we did not pay any third parties a fee to assist in the process of identifying or evaluating director candidates in 2006.

Ms. Caracciolo was recommended to our nominating committee by another director and our chief executive officer. Each of Mr. Adams and Mr. Miller were recommended to our nominating committee by our chief executive officer.

Code of Conduct and Ethics

Our board of directors has adopted a code of conduct and ethics applicable to each of our directors, officers and employees. In addition, our board of directors has adopted a separate code of ethics applicable to the Chief Executive Officer and senior financial officers. The full text of the code of conduct and ethics and the code of ethics are available at our website at www.fullhouserestorts.com.

Compensation Committee Interlocks and Insider Participation

No executive officer of Full House serves as a member of the compensation committee of the board of directors of any entity one or more of whose executive officers serves as a member of our board of directors.

Communications with the Board of Directors

Our board of directors believes it important that interested parties have the opportunity to communicate their concerns directly to our board of directors. Stockholders may contact or communicate with an individual director or our board of directors as a group, including the non-employee directors as a group, by addressing that letter to Full House Resorts, Inc., Attention: Board of Directors c/o Company Secretary, 4670 South Fort Apache Road, Suite 190, Las Vegas, Nevada 89147. Each communication should specify the applicable addressee or addressees to be contacted.

EXECUTIVE COMPENSATION

In accordance with the SEC's proxy disclosure rules, "total compensation" in 2006 is defined as the sum of the following:

- **Salary:** Base salary paid during 2006.
- **Bonus:** Non-performance based awards (i.e., guarantees, sign on, retention bonuses).
- **Stock Awards:** Restricted stock (including dividends earned on outstanding restricted shares that are not part of FAS 123(R) value) dollar amounts reflect the fair value at grant date as calculated pursuant to the guidance set forth under FAS 123(R), as presented in our Annual Report on Form 10-KSB.
- **Non-Equity Incentive Awards:** Short and long-term performance based awards, reflecting only annual incentives for 2006.
- **All Other Compensation:** All other compensation not captured elsewhere in the Summary Executive Compensation Table. We have reported these amounts, even if the value of an individual item is less than \$10,000.

Summary Executive Compensation Table

The following table summarizes the "total compensation" of our Chief Executive Officer, and our two highest paid executives other than our Chief Executive Officer, or, collectively, the named executive officers, for the fiscal year ended December 31, 2006.

SUMMARY EXECUTIVE COMPENSATION

- (1) The amounts shown in this column represent the dollar amount recognized for financial statement reporting purposes for the fiscal year ended December 31, 2006 in accordance with SFAS No. 123(R) related to restricted stock awards granted in 2006 pursuant to our various share-based payment plans. Assumptions used in the calculation of these amounts are included in Note 11 to our consolidated financial statements included in our Annual Report on Form 10-KSB for the year ended December 31, 2006.
 - (2) The amount shown in this column for each named executive officer is the attributable performance-based 2006 bonus granted under the 2006 Incentive Compensation Plan. These amounts were earned in fiscal year 2006, but paid in 2007.
 - (3) The amounts shown in this column represent incidental expenses relating to maintaining an office.

During 2006, the Compensation Committee approved, and the executive officers were paid, the salaries, bonuses and restricted stock awards reported in the above table which were determined to be at the low end of executive compensation for equivalent positions for companies of similar size and status.

Employment Agreements

In April 20, 2007, we entered into an employment agreement with each of Messrs. Hilliou, Miller and Elam. The term of each of these agreements is one year beginning April 10, 2007, with automatic successive one-year renewals unless either we or the relevant executive provides notice of termination at least 90 days prior to the end of the then current term. The agreements set an initial annual base salary of \$207,500 for Mr. Hilliou, \$250,000 for Mr. Miller and \$200,000 for Mr. Elam, in each case subject to increase by our board of directors at the beginning of each calendar year. In addition, each executive is eligible to receive an annual incentive bonus equal to up to 100% of his base salary subject to the achievement of annual objectives established by our compensation committee. In addition to the shares of restricted stock previously granted to each executive, each executive may receive additional grants as determined by our compensation committee. The agreement further provides that we will maintain a policy of term life insurance on each executive for the benefit of beneficiaries designated by the executive. The amount of such policy shall be determined by us, but shall not be less than two years of the executive's base compensation.

In the event of termination of any of these employment agreements upon the death of the executive or by us because of illness or incapacity of the executive that continues for 90 days, in addition to all amounts owed through the date of termination, we shall pay to the executive an amount equal to his prior year's annual bonus pro rated through the date of termination.

In the event the agreement is terminated by us for "cause", or by the executive without "good reason", we shall only be obligated to pay the executive all base salary and benefits accrued through the date of termination and the executive shall forfeit any unvested shares of restricted stock.

In the event the agreement is terminated by us without "cause" or by executive for "good reason", in addition to amounts owed through the date of termination, we shall:

- Continue to pay the executive's base salary for a period of six months plus an additional one month of base salary for each year of employment (up to a maximum of 12 months base salary),
- Pay an annual bonus for the year of termination equal to the average annual bonus for the executive for the previous two years, pro rated through the date of termination (subject to a minimum of 50%), and
- Continue, at our expense, all of the executive's health, dental and other insurance benefits until the earlier of the end of the term or the date the executive becomes subsequently employed.

For purposes of the employment agreements, "cause" means (1) the executive's material fraud, dishonesty, willful misconduct, or willful and continuing failure in the performance of his duties under the employment agreement; (2) the executive's breach of any material provision of the employment agreement which has not been cured within 30 days following the notice thereof, or (3) the commission by the executive of any felony criminal act or the commission of any crime involving fraud, dishonesty or moral corruptness, including denial or removal of the executive's licensing from any governmental gaming agency or licensing authority. For purposes of the employment agreements "good reason" means (1) our failure to comply with any material provision of the employment agreement which has not been cured within 30 days following the notice thereof, or (2) our direction to the executive to do, perform, or omit to perform any act, or the executive's knowledge of such acts or omissions performed by our other employees without appropriate redress, which acts or omissions are known to be fraudulent, illegal or could otherwise materially impact negatively upon the executive's personal and professional reputation.

Change of Control Provisions

Each of the employment agreements provides that upon a change of control, the executive may terminate his employment agreement only if the change of control materially affects his position and compensation under the agreement. To the extent any executive so terminates his agreement, or in the event the executive is not retained under contract following a change of control:

- we will pay to the executive a cash payment equal to the greater of (a) one year's base salary or in the case of Mr. Hilliou two year's base salary and (b) the remaining base salary due under the agreement;
- we will pay to the executive a cash payment equal to his average annual bonuses paid under his employment agreement for the three prior years (or the average of the annual bonuses paid to date, if the term of employment is less than three years); and
- all unvested shares or other stock-based grants awarded pursuant to our 2006 Incentive Compensation Plan or other benefit plan will accelerate and vest upon the date of the change of control.

For purposes of the employment agreements, a "change of control" means (1) a person, entity or group acquires beneficial ownership of 50% or more of our then outstanding voting securities, (2) individuals who constitute our board as of April 10, 2007 and directors whose nominations are approved by a majority of such incumbent board members cease to constitute a majority of our board of directors, or (3) approval by our stockholders of (A) a business combination in which our shareholders prior to the transaction do not own at least 50% of the combined voting power of the voting securities of combined business and at least a majority of our incumbent board comprises a majority of the board of the combined business, (B) a liquidation or dissolution of our company, or (C) a sale of all or substantially all of our assets.

The following describes the amounts payable upon termination of employment of the named executive officers as if such employment terminated on April 20, 2007. We used this date because these agreements were executed on April 20, 2007, but became effective on April 10, 2007.

- (1) Following a termination by us without cause or by the executive with good reason, we have agreed to provide him, his spouse and his dependents medical, dental and life insurance benefits for the term or until the executive is otherwise employed. The amounts in this column represent the estimated cost to us of those payments over a twelve month period.
- (2) Represents the value of the unvested shares owned by the executive as of April 20, 2007, calculated by multiplying the number of shares by the closing price of our stock on that date.

Restricted Stock

Upon stockholder approval of our 2006 Incentive Compensation Plan in May 2006, we granted 275,000 shares of restricted stock to each of Andre Hilliou and Greg Violette, which vests in four equal annual amounts beginning on the grant date of May 31, 2006 and then in January of the succeeding three years. In addition, we granted 35,000 restricted shares to T. Wesley Elam, vesting in three equal annual installments beginning in January 2007. During 2006, we established certain performance targets for the award of incentive compensation to our executive officers. The performance targets were based on the status of our projects and not on the financial performance of the company. For example, a performance target of Mr. Violette was to obtain at least one new Indian gaming project and a performance target for Mr. Elam was to execute a binding purchase agreement and close on the transaction for an acquisition. It is noted that the employment of Mr. Violette was terminated on February 19, 2007. While we did not have employment agreements with our executive officers during 2006, in March 2007 the Compensation Committee approved entering into written employment agreements with our key executive employees. Employment agreements were entered into with Mr. Hilliou, Mr. Miller and Mr. Elam.

The following table sets forth Outstanding Equity Awards at Fiscal Year-End, or December 31, 2006, for our named executive officers.

OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END

Name	Stock Awards	
	Number of Shares or Units of Stock that have not Vested	Market Value of Shares or Units of Stock that have not Vested(1)
Andre M. Hilliou	68,750(2)	\$261,250
	68,750(4)	\$261,250
Greg Violette	68,750(2)	\$261,250
	137,500(5)	\$522,500
T. Wesley Elam	11,666(2)	\$ 44,331
	11,667(3)	\$ 44,331
	11,667(4)	\$ 44,335

(1) Value based on closing price of our common stock on December 29, 2006 of \$3.80.

(2) Restricted stock vested January 6, 2007.

(3) Restricted stock that vests January 6, 2008.

(4) Restricted stock that vests January 6, 2009.

(5) There is a dispute as to whether the unvested shares granted to Mr. Violette vested on the date of his employment termination. It is our position that they did not and therefore were forfeited. However, Mr. Violette has disputed this position and until resolved we account for the shares as remaining unvested and outstanding.

2006 Incentive Compensation Plan

On May 31, 2006, our stockholders approved our 2006 Incentive Compensation Plan. The 2006 Incentive Compensation Plan is administered by our compensation committee. In consideration of their services, officers, directors, employees and consultants of us or a related entity are eligible to receive a variety of awards under the plan, including, incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, bonus stock and performance awards. The total number of shares issuable under the plan is 1,100,000. As of December 31, 2006, we had issued 968,000 shares of stock and restricted stock under the plan to our executive officers and directors, including the issuance of shares to Mr. Iacocca in connection with his consulting agreement.

Prior Stock Option Plans

At December 31, 2006, we had a total of 325,000 options outstanding that were issued pursuant to compensation plans that expired on June 30, 2002. Because options have historically been granted with exercise prices equal to market value on the grant date, no compensation cost has been recognized for options granted under these prior plans, except with respect to options granted under the 1992 plan to a consultant / principal shareholder, or under an informal director stock plan. Since all options that are outstanding as of December 31, 2006 have vested, applying the fair value recognition provisions of SFAS No. 123 results in pro forma net income (loss) that is the same as historical reported net income (loss) during the years ended 2005 and 2004.

A summary of the status of Full House's stock option plans as of December 31, 2006 and 2005, and changes during the years then ended is presented below:

	2006		2005	
	WEIGHTED-AVERAGE EXERCISE		WEIGHTED-AVERAGE EXERCISE	
	SHARES	PRICE	SHARES	PRICE
Outstanding at beginning of year	575,000	2.88	575,000	\$ 2.88
Granted	—	—	—	—
Exercised	—	—	—	—
Forfeited	250,000	3.69	—	—
Outstanding at end of year	325,000	2.25	575,000	2.88
Exercisable at year-end	325,000	2.25	575,000	2.88

As of December 31, 2006, the 325,000 options outstanding and exercisable had a weighted-average remaining contractual life of 0.5 years. In January 2007, 250,000 of these options were exercised.

Certain Relationships and Related Transactions

In 2001, we agreed to make, and subsequently made, a payment for architectural drawings relating to a development project in Mississippi. The Allen E. Paulson Living Trust, of which J. Michael Paulson, chairman of our board, is trustee, previously agreed to pay us \$125,000, which is half the amount we paid. After reviewing the facts and circumstances, during the second quarter of 2006, management reassessed the probability of payment and provided an allowance for the receivable until this matter is resolved.

In September 2006, we entered into a consulting agreement with Lee Iacocca, one of our directors, under the terms of which Mr. Iacocca will provide consulting services to us related to marketing and advertising for a period of three years. In consideration of these services, we granted to Mr. Iacocca 300,000 restricted shares of our common stock valued at \$1,119,000 based on the closing price on the grant date with no discount, which vest in equal amounts over the three year term of the agreement or immediately on his death. In addition, Mr. Iacocca forfeited 250,000 options to purchase our common stock at an exercise price of \$3.69 per share that were fully vested.

The 300,000 shares we agreed to grant to Mr. Iacocca was initially recorded as deferred compensation expense, reported as a reduction of stockholder's equity which will subsequently be amortized into compensation expense on a straight-line basis as services are provided over the three year vesting period. The forfeiture of the 250,000 options will have no effect on our financial statements, since the options are fully vested.

PROPOSAL TWO: RATIFICATION OF INDEPENDENT AUDITORS

Piercy Bowler Taylor & Kern was retained as our independent auditors for the year ending December 31, 2006. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF PIERCY BOWLER TAYLOR & KERN AS OUR INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2007.

INDEPENDENT AUDITOR MATTERS

Independent Auditors

Piercy Bowler Taylor & Kern audited Full House's annual consolidated financial statements for the years ended December 31, 2006 and December 31, 2005. Representatives of Piercy Bowler Taylor & Kern are expected to attend the meeting, and be available to answer questions. We do not expect them to make a statement.

During fiscal years 2006 and 2005, Full House retained Piercy Bowler Taylor & Kern to provide services in the following categories and amounts:

Audit Fees

Piercy Bowler Taylor & Kern billed us an aggregate of \$111,650 in 2006 and \$30,273 in 2005 in fees for professional services in connection with the audit of our financial statements for those fiscal years and the reviews of the financial statements included in each of our Quarterly Reports on Form 10-QSB during each fiscal year.

Audit Related Fees

As part of our plans to acquire Stockman's Casino, Inc. we engaged Piercy Bowler Taylor & Kern to re-audit Stockman's financial statements for the years ended December 31, 2005 and 2004, for inclusion in a registration statement filed on Form SB-2, and to provide recommendations with respect to the related SEC reporting requirements. Accordingly, we were billed \$131,661 for these services during 2006. We did not engage Piercy Bowler Taylor & Kern for any audit related professional services during the fiscal year ended December 31, 2005.

Tax Fees

We did not engage Piercy Bowler Taylor & Kern for any tax related professional services for the fiscal year ended December 31, 2006 or December 31, 2005.

All Other Fees

We did not engage Piercy Bowler Taylor & Kern for any other services for the fiscal year ended December 31, 2006 or December 31, 2005.

Pre-Approval Policies and Procedures

The audit committee's policy is to review and pre-approve any engagement of our independent auditor to provide any audit or permissible non-audit service to us. All of the services provided by our independent auditors were approved by our audit committee and the audit committee believes that the provision of these services is consistent with maintaining the accountants' independence.

Audit Committee Report

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of Full House's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate such report by reference.

The Audit Committee oversees Full House's financial reporting process. Management has the primary responsibility for the financial statements and the financial reporting process including the system of internal controls.

In fulfilling our oversight responsibilities, we reviewed and discussed the financial statements with management. In addition, we discussed with the independent auditors matters deemed significant by the independent auditors, including those matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

The independent auditors also provided us with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and we discussed with the independent

auditors matters relating to their independence and considered whether their provision of non-audit services is compatible with maintaining their independence.

Based on our review with management and the independent auditors of Full House's audited consolidated financial statements and the independent auditors' report on such financial statements, and based on the discussions and written disclosures described above and our business judgment, we recommended that the audited consolidated financial statements be included in Full House's Annual Report on Form 10-KSB for the year ended December 31, 2006 for filing with the SEC.
