**PROXY STATEMENT**

---

This proxy statement contains information relating to our 2008 Annual Meeting of Stockholders to be held at 10:00 a.m., local time, on May 29, 2008, at the Suncoast Hotel & Casino, 9090 Alta Drive, Las Vegas, NV 89145 and to any adjournments or postponements. This proxy statement and the enclosed form of proxy are first being mailed to stockholders on or about May 5, 2008.

**ABOUT THE MEETING**

**What Is The Purpose Of The Annual Meeting?**

At the annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including

- the election of six directors,
- the ratification of Piercy Bowler Taylor & Kern as our independent auditors,
- the amendment of the 2006 Incentive Compensation Plan to increase the shares of common stock reserved under the plan by 100,000 shares.

The stockholders also will transact any other business that properly comes before the meeting.

**Who Is Entitled To Vote?**

Only stockholders of record at the close of business on the record date, May 1, 2008, are entitled to receive notice of the annual meeting and to vote the shares of our common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

**Who Can Attend The Meeting?**

All stockholders as of the record date, or their duly appointed proxies, may attend. Please note that if you hold shares in "street name," that is, through a broker or other nominee, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date. You will also need a photo ID to gain admission.

**What Constitutes A Quorum?**

The presence at the meeting, in person or by proxy, of the holders of 40% of the total number of shares of our common stock and preferred stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 19,342,276 shares of our common stock were outstanding and held by approximately 140 stockholders of record. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining a quorum but will not be counted as votes cast "for" or "against" any given matter.

If less than 40% of outstanding shares entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

**How Do I Vote?**

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and you attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

Prior to the annual meeting, we will select one or more inspectors of election. These inspectors will determine the number of shares of common stock and Series A preferred stock represented at the meeting, the existence of a quorum, the validity of proxies and will count the ballots and votes and will determine and report the results to us.

---

### **May I Change My Vote After I Return My Proxy Card?**

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

### **What Are The Board's Recommendations?**

The enclosed proxy is solicited on behalf of our board of directors. Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. The recommendation of the board of directors is set forth with the description of each item in this proxy statement. In summary, the board of directors recommends a vote:

- FOR the election of the nominated slate of directors (see pages 4-13).
- FOR the ratification of Piercy Bowler Taylor & Kern as independent auditor (see pages 13-15).
- FOR the amendment to the 2006 Incentive Compensation Plan (see pages 15-21).

The board of directors does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate board nominees. In the event that any other matter should properly come before the meeting or any nominee is not available for election, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in accordance with their best judgment.

### **What Vote Is Required To Approve Each Item?**

*Election Of Directors.* A plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors.

*Ratification of Piercy Bowler Taylor & Kern.* An affirmative vote of a majority of the votes cast at the meeting is required for the ratification of the independent auditor. A properly executed proxy marked "ABSTAIN" with respect to ratification will not be voted with respect to ratification, although it will be counted for purposes of determining whether there is a quorum.

*Amendment of Incentive Compensation Plan.* An affirmative vote of a majority of the votes cast at the meeting is required to amend the Incentive Compensation Plan. A properly executed proxy marked "ABSTAIN" with respect to ratification will not be voted with respect to the amendment, although it will be counted for purposes of determining whether there is a quorum.

*Other Items.* For any other item which may properly come before the meeting, the affirmative vote of a majority of the votes cast at the meeting, either in person or by proxy, and voting will be required for approval, unless otherwise required by law. A properly executed proxy marked "ABSTAIN" with respect to any of those matters will not be voted, although it will be counted for purposes of determining whether there is a quorum.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some that may be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by these "broker non-votes" will, however, be counted in determining whether there is a quorum.

### **Who Pays For The Preparation Of The Proxy Statement?**

We will pay the cost of preparing, assembling and mailing the proxy statement, notice of meeting and enclosed proxy card. In addition to the use of mail, our employees or authorized agents may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies and we may reimburse those persons for their expenses incurred in connection with these activities. We will compensate only independent third party agents that are not affiliated with us but solicit proxies. At this time, we do not anticipate that we will be retaining a third party solicitation firm, but should we determine, in the future, that it is in our best interests to do so, we will retain a solicitation firm and pay for all costs and expenses associated with retaining this solicitation firm.

### Independent Directors

Under the corporate governance standards of the American Stock Exchange, or AMEX, at least 50% of our board of directors and all of the members of our audit committee, compensation committee and the nominating committee must meet the test of independence as defined by the listing requirements of AMEX. Our board of directors, in the exercise of its reasonable business judgment, has determined that J. Michael Paulson, Kenneth R. Adams, Carl G. Braunlich, and Kathleen M. Caracciolo qualify as independent directors pursuant to the AMEX and SEC rules and regulations. Our board of directors had determined that Mr. Miller was an independent director prior to his agreement to serve as our chief financial officer and that Mr. Iacocca was an independent director prior to entering into a consulting agreement with us. In making the determination of independence, our board considered whether an independent director has a material relationship with Full House, either directly or as a partner or shareholder of an organization that has a relationship with Full House or any other relationships that, in our board's judgment, would interfere with the director's independence. As described below under the heading "Certain Relationships and Related Transactions," our board considered the negotiations regarding payments with respect to transactions from 2001 between us and a trust of which Mr. Paulson is the trustee, and determined that these matters did not cause Mr. Paulson to not be independent. In the late 1980's and early 1990's, Messrs. Hilliou and Miller and Ms. Caracciolo were employed by Showboat, Inc. or a subsidiary thereof and were professionally associated through such employment.

### Meetings and Committees of the Board of Directors

*Meetings.* During fiscal year 2007, the board of directors held four regular meetings and one special meeting. Each of our directors attended at least 80% of the aggregate of the number of meetings of the board of directors which were held during the period such person served on the board of directors and the number of meetings of committees of the board of directors held during the period that such person served on such committee. We have no specific requirements regarding the attendance at the annual meeting of stockholders by our directors. In 2007, all of our directors attended the annual meeting in person.

We have three standing committees: the audit committee, the nominating committee and the compensation committee.

## Table of Contents

### *Audit Committee*

Our audit committee was comprised of three members, Ms. Caracciolo, Dr. Braunlich and Mr. Paulson. Ms. Caracciolo serves as Chair and financial expert on the Committee. Our board had determined that Ms. Caracciolo is an audit committee financial expert as defined by the rules and regulations of the Securities and Exchange Commission. Our board of directors in its reasonable judgment has determined that each member of the audit committee is independent as defined under the applicable AMEX listing standards and federal law. Our audit committee held four meetings in 2007.

The audit committee's functions include overseeing and monitoring the activities of our financial reporting process, our systems of internal controls over financial reporting and the integrity of our financial statements, the independent auditors' qualifications, independence and performance, and to assist our board of directors in ensuring our compliance with legal and regulatory requirements in our financial reporting process. Our board of directors has adopted a written charter for the audit committee setting out the functions that it is to perform. The text of the charter is available on our website at [www.fullhouserorts.com](http://www.fullhouserorts.com).

Please refer to the audit committee report, which is set forth on pages 14-15, for a further description of our audit committee's responsibilities and its recommendations with respect to our audited consolidated financial statements for the year ended December 31, 2007.

### *Compensation Committee*

The compensation committee is comprised of three members, Messrs. Paulson, Iacocca, and Dr. Braunlich. Dr. Braunlich acts as chair of the compensation committee. Our board of directors, in its reasonable judgment has determined that each member of the compensation committee is independent as defined under the applicable AMEX listing standards, except that Mr. Iacocca no longer met the definition of independent upon entering into a consulting agreement with us in September 2006. The board considered the nature of the consulting relationship with Mr. Iacocca in which we agreed to provide equity compensation for services similar to those Mr. Iacocca had previously provided to us without compensation. In addition, the board considered Mr. Iacocca's substantial business experience generally and with Full House, his business relationships which have in the past provided us with development opportunities and his stock ownership and determined that it was in the best interest of Full House for Mr. Iacocca to continue as a member of our board of director's compensation committee. Our compensation committee held two meetings in 2007.

The compensation committee's functions include reviewing and making recommendations to the board of directors regarding all forms of compensation to be provided to our executive officers and directors. Our board of directors has adopted a written charter for the compensation committee setting out the functions that it is to perform and has recently amended the charter. The text of the charter is available on our website at [www.fullhouserorts.com](http://www.fullhouserorts.com).

Management provides recommendations to the committee on the amount and type of executive compensation as well as individual performance objectives for bonuses and incentive compensation, and the committee reviews these recommendations along with the information provided by the executive employment consultant to formulate the committee's recommendations to the board of directors. The compensation committee determines the fulfillment of the individual performance objectives and recommends individual bonus and incentive compensation amounts to the board of directors.

Independent director compensation was based on recommendations provided by management in 2005 which recommendations were determined by management to be at the low end of comparably sized companies in the gaming industry but recommended as a needed retention incentive.

### *Nominating Committee*

Our nominating committee is comprised of two members, Messrs. Paulson and Iacocca. Mr. Paulson acts as chair of the nominating committee. Each member of the nominating committee is independent as defined under the applicable AMEX listing standards, except that Mr. Iacocca no longer met the definition of independent upon entering into a consulting agreement with us in September 2006. The board considered the nature of the consulting relationship with Mr. Iacocca in which we agreed to provide equity compensation for services similar to those Mr. Iacocca had previously provided to us without compensation. In addition, the board considered Mr. Iacocca's substantial business experience generally and with Full House, his business relationships which have in the past provided us with development opportunities and his stock ownership and determined that it was in the best interest of Full House for Mr. Iacocca to continue as a member of our board of director's nominating committee. The nominating committee held one meeting during 2007 at which it approved the slate of nominees standing for election by the shareholders.

## Table of Contents

Our board of directors has adopted a written charter for the nominating committee setting out the functions that it is to perform and has recently amended the charter. The text of the charter is available on our website at [www.fullhouseresorsts.com](http://www.fullhouseresorsts.com).

Our nominating committee's functions include assisting our board of directors with respect to nominating new directors. To fulfill its responsibilities and duties, the committee, among other things:

- determines periodically, as appropriate, desired board qualifications, expertise and characteristics, including such factors as business experience and skills and knowledge with respect to gaming, finance, marketing, financial reporting, regulatory and any other areas as may be expected to contribute to an effective board;
- determines periodically, as appropriate, whether there are any specific, minimum qualifications that the nominating committee believes must be met by a nominee approved by the nominating committee for a position on the board and whether there are any specific qualities or skills that the nominating committee believes are necessary for one or more directors to possess;
- conducts searches for potential board members with corresponding attributes as needed;
- evaluates, proposes and approves nominees for election or appointment to the board; and
- considers, evaluates and, as applicable, proposes and approves, stockholder nominees for election to the board.

The nominating committee will consider stockholder recommendations for director candidates and will do so in the same manner that it considers all director candidates. There are no specific, minimum qualifications that must be met by a director nominee recommended by a stockholder except as provided for by applicable law. A stockholder wishing to recommend a prospective director nominee for consideration should send notice to Full House Resorts, Inc., Attention: Nominating Committee c/o Secretary, 4670 Fort Apache Road, Suite 190, Las Vegas, Nevada 89147. To be included in our proxy for our next annual meeting, the notice of recommendation must be made in writing and received by our Secretary by January 2, 2009. Although the committee's charter permits the committee to engage a search firm to identify director candidates, we did not pay any third parties a fee to assist in the process of identifying or evaluating director candidates in 2007.

### **Code of Conduct and Ethics**

Our board of directors has adopted a code of conduct and ethics applicable to each of our directors, officers and employees. In addition, our board of directors has adopted a separate code of ethics applicable to the Chief Executive Officer and senior financial officers. The full text of the code of conduct and ethics and the code of ethics are available at our website at [www.fullhouseresorsts.com](http://www.fullhouseresorsts.com).

### **Compensation Committee Interlocks and Insider Participation**

No executive officer of Full House serves as a member of the compensation committee of the board of directors of any entity one or more of whose executive officers serves as a member of our board of directors.

### **Communications with the Board of Directors**

Our board of directors believes it important that interested parties have the opportunity to communicate their concerns directly to our board of directors. Stockholders may contact or communicate with an individual director or our board of directors as a group, including the non-employee directors as a group, by addressing that letter to Full House Resorts, Inc., Attention: Board of Directors c/o Company Secretary, 4670 Fort Apache Road, Suite 190, Las Vegas, Nevada 89147. Each communication should specify the applicable addressee or addressees to be contacted.

- **Bonus:** Non-performance based awards (i.e., guarantees, sign on, retention bonuses).

## Table of Contents

### Employment Agreements

In April 20, 2007, we entered into an employment agreement with each of Messrs. Hilliou, Miller and Elam and on July 17, 2007, the Company and Mr. Hilliou and Mr. Miller amended their agreements. The term of each of these agreements is one year beginning, with automatic successive renewals unless either we or the relevant executive provides notice of termination at least 90 days prior to the end of the then current term. The agreements set an initial annual base salary of \$250,000 for Mr. Hilliou, \$250,000 for Mr. Miller and \$200,000 for Mr. Elam, in each case subject to increase by our board of directors at the beginning of each calendar year. In addition, Mr. Miller and Mr. Elam each are eligible to receive an annual incentive bonus equal to up to 100% (200% for Mr. Hilliou) of his base salary subject to the achievement of annual objectives established by our compensation committee. In addition to the shares of restricted stock previously granted to each

executive, each executive may receive additional grants as determined by our compensation committee. The agreement further provides that we will maintain a policy of term life insurance on each executive for the benefit of beneficiaries designated by the executive. The amount of such policy shall be determined by us, but shall not be less than two years of the executive's base compensation. In the event of termination of any of these employment agreements upon the death of the executive or by us because of illness or incapacity of the executive that continues for 90 days, in addition to all amounts owed through the date of termination, we shall pay to the executive an amount equal to his prior year's annual bonus pro-rated through the date of termination. In the event the agreement is terminated by us for "cause", or by the executive without "good reason", we shall only be obligated to pay the executive all base salary and benefits accrued through the date of termination and the executive shall forfeit any unvested shares of restricted stock. In the event the agreement is terminated by us without "cause" or by the executive for "good reason", in addition to amounts owed through the date of termination, we shall:

- Continue to pay the executive's base salary for a period of six months base salary plus an additional one month of base salary for each year of employment (up to a maximum of 12 months base salary),
- Pay an annual bonus for the year of termination equal to the average annual bonus for the executive for the previous two years, pro-rated through the date of termination (subject to a minimum of 50%), and
- Continue, at our expense, all of the executive's health, dental and other insurance benefits until the earlier of the end of the term or the date the executive becomes subsequently employed.

For purposes of the employment agreements, "cause" means (1) the executive's material fraud, dishonesty, willful misconduct, or willful and continuing failure in the performance of his duties under the employment agreement; (2) the executive's breach of any material provision of the employment agreement which has not been cured within 30 days following the notice thereof, or (3) the commission by the executive of any felony criminal act or the commission of any crime involving fraud, dishonesty or moral corruptness, including denial or removal of the executive's licensing from any governmental gaming agency or licensing authority. For purposes of the employment agreements "good reason" means (1) our failure to comply with any material provision of the employment agreement which has not been cured within 30 days following the notice thereof, or (2) our direction to the executive to do, perform, or omit to perform any act, or the executive's knowledge of such acts or omissions performed by our other employees without appropriate redress, which acts or omissions are known to be fraudulent, illegal or could otherwise materially impact negatively upon the executive's personal and professional reputation.

### **Change of Control Provisions**

Each of the employment agreements provides that upon a change of control, the executive may terminate his employment agreement only if the change of control materially affects his position and compensation under the agreement.

To the extent any executive so terminates his agreement, or in the event the executive is not retained under contract following a change of control:

- we will pay to the executive a cash payment equal to the greater of (a) one year's base salary or in the case of Mr. Hilliou two year's base salary and (b) the remaining base salary due under the agreement;
- we will pay to the executive a cash payment equal to his average annual bonuses paid under his employment agreement for the three prior years (or the average of the annual bonuses paid to date, if the term of employment is less than three years); and
- all unvested shares or other stock-based grants awarded pursuant to our 2006 Incentive Compensation Plan or other benefit plan will accelerate and vest upon the date of the change of control.

For purposes of the employment agreements, a "change of control" means (1) a person, entity or group acquires beneficial ownership of 50% or more of our then outstanding voting securities, (2) individuals who constitute our board as of April 18, 2008 and directors whose nominations are approved by a majority of such incumbent board members cease to constitute a majority of our board of directors, or (3) approval by our stockholders of (A) a business combination in which our shareholders prior to the transaction do not own at least 50% of the combined voting power of the voting securities of combined business and at least a majority of our incumbent board comprises a majority of the board of the combined business, (B) a liquidation or dissolution of our company, or (C) a sale of all or substantially all of our assets.

**2006 Incentive Compensation Plan**

On May 29, 2006, our stockholders approved our 2006 Incentive Compensation Plan. The 2006 Incentive Compensation Plan is administered by our compensation committee. In consideration of their services, officers, directors, employees and consultants of us or a related entity are eligible to receive a variety of awards under the plan, including, incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, bonus stock and performance awards. The total number of shares issuable under the plan is 1,100,000. As of December 31, 2007, we had issued 1,098,000 shares of stock and restricted stock under the plan to our executive officers and directors, including the issuance of shares to Mr. Iacocca in connection with his consulting agreement.

**Prior Stock Option Plans**

The Company's ability to issue options under its earlier plans expired on June 30, 2002, and all options granted were fully vested prior to 2006. A summary of the status of Full House's stock option plan as of December 31, 2007 and 2006, and changes during the years then ended are presented below:

	2007		2006

**Certain Relationships and Related Transactions**

During the second quarter of 2007, management wrote-off a receivable from a related party, which was fully reserved. The receivable originated in 2001, when the Company made a \$125,000 payment for architectural drawings relating to a development project in Mississippi on behalf of the Allen E. Paulson Living Trust, of which J. Michael Paulson, chairman of our board, is trustee.

In September 2006, we entered into a consulting agreement with Lee Iacocca, one of our directors, under the terms of which Mr. Iacocca will provide consulting services to us related to marketing and advertising for a period of three years. In consideration of these services, we granted to Mr. Iacocca 300,000 restricted shares of our common stock valued at \$1,119,000 based on the closing price on the grant date with no discount, which vest in equal amounts over the three year term of the agreement or immediately on his death. The grant to Mr. Iacocca was initially recorded as deferred compensation, reported as a reduction of stockholder's equity and will subsequently be amortized into compensation expense on a straight-line basis as services are provided over the three year vesting period.

**PROPOSAL TWO: RATIFICATION OF INDEPENDENT AUDITORS**

Piercy Bowler Taylor & Kern was retained as our independent auditors for the year ending December 31, 2007.

All of the services provided by our independent auditors were approved by our audit committee and the audit committee believes that the provision of these services is consistent with maintaining the accountants' independence.

### Audit Committee Report

*The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of Full House's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate such report by reference.*

The Audit Committee oversees Full House's financial reporting process. Management has the primary responsibility for the financial statements and the financial reporting process including the system of internal controls.

In fulfilling our oversight responsibilities, we reviewed and discussed the financial statements with management. In addition, we discussed with the independent auditors matters deemed significant by the independent auditors, including those matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

The independent auditors also provided us with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and we discussed with the independent auditors matters relating to their independence and considered whether their provision of non-audit services is compatible with maintaining their independence.

## Table of Contents

Based on our review with management and the independent auditors of Full House's audited consolidated financial statements and the independent auditors' report on such financial statements, and based on the discussions and written disclosures described above and our business judgment, we recommended that the audited consolidated financial statements be included in Full House's Annual Report on Form 10-KSB for the year ended December 31, 2007 for filing with the SEC.

### **PROPOSAL THREE: AMENDMENT OF THE 2006 INCENTIVE COMPENSATION PLAN TO INCREASE THE SHARES OF COMMON STOCK RESERVED UNDER THE PLAN BY 100,000 SHARES**

#### ***Background and Purpose.***

Our board of directors has authorized, subject to stockholder approval, an increase in the number of shares of common stock available under our 2006 Incentive Compensation Plan of 100,000 shares from 1,100,000 to 1,200,000. The increase will allow us to meet our annual stock grant obligation of 2,000 shares to each independent director and to attract and retain qualified executive officers as necessary.

#### ***Purpose.***

The purpose of the 2006 plan is to assist Full House, its subsidiaries and other designated affiliates, which we refer to as related entities, in attracting, motivating, retaining and rewarding high-quality executives and other employees, officers, directors consultants and other persons who provide services to us or our related entities, by enabling these persons to acquire or increase a proprietary interest in Full House in order to strengthen the mutuality of interests between these persons and our stockholders, and providing such persons with performance incentives to expend their maximum efforts in the creation of stockholder value.

The effective date of the 2006 plan is January 1, 2006. As of the date of this proxy statement, awards for a total of 1,098,000 shares have been granted under the 2006 plan.

The following is a summary of certain principal features of the 2006 plan. This summary is qualified in its entirety by reference to the complete text of the 2006 plan. Stockholders are urged to read the actual text of the 2006 plan in its entirety which is set forth as Appendix E to our proxy statement filed on May 1, 2006.

#### ***Shares Available for Awards; Annual Per-Person Limitations.***

Currently under the 2006 plan, the total number of shares of our common stock reserved and available to be awarded under the 2006 plan at any time during the term of the plan shall be equal to 1,100,000 shares. The foregoing limit shall be increased by the number of shares of common stock with respect to which awards previously granted under the 2006 plan that are forfeited, expire or otherwise terminate without issuance of shares, or that are settled for cash or otherwise do not result in the issuance of shares, and the number of shares that are tendered, either actually or by attestation, or withheld upon exercise of an award to pay the exercise price or any tax withholding requirements. Awards issued in substitution for awards previously granted by a company that we or a related entity acquire, or with which we or a related entity combine, do not reduce the limit on grants of awards under the plan.

The 2006 plan imposes individual limitations on the amount of certain awards in part to comply with Code Section 162(m). Under these limitations, during any 12-month period, no participant may be granted (1) stock options or stock appreciation rights with respect to more than 500,000 shares of common stock, or (2) shares of restricted stock, shares of deferred stock, performance shares and other stock based-awards with respect to more than 500,000 shares of common stock, in each case, subject to adjustment in specified circumstances. The maximum amount that may be paid out as performance units with respect to any 12-month performance period is \$2,500,000, and is \$5,000,000 with respect to any performance period that is more than 12 months.

The committee described below is authorized to adjust the limitations described in the two preceding paragraphs and is authorized to adjust outstanding awards (including adjustments to exercise prices of options and other affected terms of awards) in the event that a dividend or other distribution (whether in cash, shares of common stock or other property), recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange or other similar corporate transaction or event affects our common stock so that an adjustment is appropriate. The committee is also authorized to adjust performance conditions and other terms of awards in response to these kinds of events or in response to changes in applicable laws, regulations or accounting principles.

## Table of Contents

### *Eligibility.*

The persons eligible to receive awards under the 2006 plan are the officers, directors, employees, consultants and other persons who provide services to us or any related entity. An employee on leave of absence may be considered as still in our employ or the employ of a related entity for purposes of eligibility for participation in the 2006 plan.

### *Administration.*

The 2006 plan is to be administered by a committee designated by our board of directors consisting of not less than two directors, provided, however, that except as otherwise expressly provided in the plan, our board may exercise any power or authority granted to the committee under the 2006 plan. Subject to the terms of the 2006 plan, the committee is authorized to select eligible persons to receive awards, determine the type, number and other terms and conditions of, and all other matters relating to, awards, prescribe award agreements (which need not be identical for each participant), and the rules and regulations for the administration of the plan, construe and interpret the plan and award agreements, correct defects, supply omissions or reconcile inconsistencies therein, and make all other decisions and determinations as the committee may deem necessary or advisable for the administration of the 2006 plan.

### *Stock Options and Stock Appreciation Rights.*

The committee is authorized to grant stock options, including both incentive stock options, which we refer to as ISOs, which can result in potentially favorable tax treatment to the participant, and non-qualified stock options, and stock appreciation rights entitling the participant to receive the amount by which the fair market value of a share of our common stock on the date of exercise exceeds the grant price of the stock appreciation right. The exercise price per share subject to an option and the grant price of a stock appreciation right are determined by the committee, but must not be less than the fair market value of a share of common stock on the date of grant. For purposes of the 2006 plan, the term "fair market value" means the fair market value of our common stock, awards or other property as determined by the committee or under procedures established by the committee. Unless otherwise determined by the committee, the fair market value of our common stock as of any given date shall be the closing sales price per share of our common stock as reported on the principal stock exchange or market on which our common stock is traded on the date as of which such value is being determined or, if there is no sale on that date, then on the last previous day on which a sale was reported. The maximum term of each option or stock appreciation right, the times at which each option or stock appreciation right will be exercisable, and provisions requiring forfeiture of unexercised options or stock appreciation rights at or following termination of employment generally are fixed by the committee, except that no option or stock appreciation right may have a term exceeding ten years. Methods of exercise and settlement and other terms of the stock appreciation right are determined by the committee. The committee, thus, may permit the exercise price of options awarded under the plan to be paid in cash, shares, other awards or other property, including loans to participants. Options may be exercised by payment of the exercise price in cash, shares of common stock, outstanding awards or other property having a fair market value equal to the exercise price, as the committee may determine from time to time.

### *Restricted and Deferred Stock.*

The committee is authorized to grant restricted stock and deferred stock. Restricted stock is a grant of shares of our common stock which may not be sold or disposed of, and which shall be subject to such risks of forfeiture and other restrictions as the committee may impose. A participant granted restricted stock generally has all of the rights of one of our stockholders, unless otherwise determined by the committee. An award of deferred stock confers upon a participant the right to receive shares of our common stock at the end of a specified deferral period, subject to such risks of forfeiture and other restrictions as the committee may impose. Prior to settlement, an award of deferred stock carries no voting or dividend rights or other rights associated with share ownership, although dividend equivalents may be granted, as discussed below.

### *Dividend Equivalents.*

The committee is authorized to grant dividend equivalents conferring on participants the right to receive, currently or on a deferred basis, cash, shares of our common stock, other awards or other property equal in value to dividends paid on a specific number of shares of common stock or other periodic payments. Dividend equivalents may be granted alone or in connection with another award, may be paid currently or on a deferred basis and, if deferred, may be deemed to have been reinvested in additional shares of common stock, awards or otherwise as specified by the committee.

### *Bonus Stock and Awards in Lieu of Cash Obligations.*

The committee is authorized to grant shares of common stock as a bonus free of restrictions, or to grant shares of common stock or other awards in lieu of our obligations to pay cash under the 2006 plan or other plans or compensatory arrangements, subject to such terms as the committee may specify.

## Table of Contents

### *Other Stock-Based Awards.*

The committee or the board is authorized to grant awards that are denominated or payable in, valued by reference to, or otherwise based on or related to shares of common stock. The committee determines the terms and conditions of such awards.

### *Performance Awards.*

The committee is authorized to grant performance awards to participants on terms and conditions established by the committee. The performance criteria to be achieved during any performance period and the length of the performance period is determined by the committee upon the grant of the performance award; provided however, that a performance period cannot be shorter than 12 months or longer than 5 years. Performance awards may be valued by reference to a designated number of shares (in which case they are referred to as performance shares) or by reference to a designated amount of property including cash (in which case they are referred to as performance units). Performance awards may be settled by delivery of cash, shares or other property, or any combination thereof, as determined by the committee. Performance awards granted to persons whom the committee expects will, for the year in which a deduction arises, be covered employees, as defined below, will, if and to the extent intended by the committee, be subject to provisions that should qualify such awards as performance-based compensation not subject to the limitation on tax deductibility by us under Code Section 162(m). For purposes of Section 162(m), the term "covered employee" means our chief executive officer and each other person whose compensation is required to be disclosed in our filings with the SEC by reason of that person being among our four highest compensated officers as of the end of a taxable year. If and to the extent required under Section 162(m) of the Code, any power or authority relating to a performance award intended to qualify under Section 162(m) of the Code is to be exercised by the committee and not our board.

If and to the extent that the committee determines that these provisions of the 2006 plan are to be applicable to any award, one or more of the following business criteria for Full House and our subsidiaries, on a consolidated basis, and/or for our related entities, or for business or geographical units of Full House and/or a related entity, except with respect to the total stockholder return and earnings per share criteria, shall be used by the committee in establishing performance goals for awards under the 2006 plan:

1. earnings per share;
2. revenues or margins;
3. cash flow;
4. operating margin;
5. return on assets, net assets, investment, capital, operating revenue or equity;
6. economic value added;
7. direct contribution;
8. income; net income; pretax earnings; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; earnings after interest expense and before extraordinary or special items; operating income; net operating income; income before interest income or expense, unusual items and income taxes, local, state or federal and excluding budgeted and actual bonuses which might be paid under any of our ongoing bonus plans;
9. working capital or working capital management, including inventory turnover and days sales outstanding;
10. management of fixed costs or variable costs;
11. identification or consummation of investment opportunities or completion of specified projects in accordance with corporate business plans, including strategic mergers, acquisitions or divestitures;
12. total stockholder return;
13. debt reduction;
14. market share;
15. entry into new markets, either geographically or by business unit;
16. customer retention and satisfaction;
17. strategic plan development and implementation, including turnaround plans; and
18. stock price.

## Table of Contents

Any of the above goals may be determined on an absolute or relative basis, for example growth in earnings per share, or as compared to the performance of a published or special index deemed applicable by the committee including, but not limited to, the Standard & Poor's 500 Stock Index or a group of companies that are comparable to us. The committee may exclude the impact of an event or occurrence which the committee determines should appropriately be excluded, including without limitation

- restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges,
- an event either not directly related to our operations or not within the reasonable control of management, or
- a change in accounting standards required by generally accepted accounting principles.

The committee may, in its discretion, determine that the amount payable as a performance award will be reduced from the amount of any potential award.

### *Other Terms of Awards.*

Awards may be settled in the form of cash, shares of common stock, other awards or other property, in the discretion of the committee. The committee may require or permit participants to defer the settlement of all or part of an award in accordance with such terms and conditions as the committee may establish, including payment or crediting of interest or dividend equivalents on deferred amounts, and the crediting of earnings, gains and losses based on deemed investment of deferred amounts in specified investment vehicles. The committee is authorized to place cash, shares of common stock or other property in trusts or make other arrangements to provide for payment of our obligations under the 2006 plan. The committee may condition any payment relating to an award on the withholding of taxes and may provide that a portion of any shares of common stock or other property to be distributed will be withheld (or previously acquired shares of common stock or other property be surrendered by the participant) to satisfy withholding and other tax obligations. Awards granted under the 2006 plan generally may not be pledged or otherwise encumbered and are not transferable except by will or by the laws of descent and distribution, or to a designated beneficiary upon the participant's death, except that the committee may, in its discretion, permit transfers for estate planning or other purposes subject to any applicable restrictions under Rule 16b-3.

Awards under the 2006 plan are generally granted without a requirement that the participant pay consideration in the form of cash or property for the grant (as distinguished from the exercise), except to the extent required by law. The committee may, however, grant awards in exchange for other awards under the 2006 plan, awards under our other plans, or other rights to payment from us, and may grant awards in addition to and in tandem with such other awards, rights or other awards.

### *Acceleration of Vesting; Change in Control.*

The committee may, in its discretion, accelerate the exercisability, the lapsing of restrictions or the expiration of deferral or vesting periods of any award, and such accelerated exercisability, lapse, expiration and if so provided in the award agreement or otherwise determined by the committee, vesting shall occur automatically in the case of a "change in control" of Full House (including the cash settlement of stock appreciation rights which may be exercisable in the event of a change in control). In addition, the committee may provide in an award agreement that the performance goals relating to any performance award will be deemed to have been met upon the occurrence of any "change in control." For purposes of the 2006 plan, unless otherwise specified in an award agreement, a change in control means the occurrence of any of the following:

- The acquisition by any person or group of a controlling interest defined as the beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Securities Exchange Act of 1934) of more than 50% of either the then outstanding shares of our common stock or the combined voting power of our then outstanding voting securities entitled to vote generally in the election of directors. However, that the following acquisitions shall not constitute or result in a change of control under the plan:
- any acquisition directly from Full House;
- any acquisition by Full House;
- any acquisition by any person or group that as of the effective date of the plan owns a controlling interest;
- any acquisition by any employee benefit plan (or related trust) sponsored or maintained by Full House or any subsidiary; or
- any acquisition by any corporation pursuant to a transaction which complies with clauses (A), (B) and (C) of paragraph (3) below; or
- During any period of two consecutive years, but no earlier than the effective date of the plan, individuals who constitute our board on the effective date and any subsequent director whose nomination was approved by a majority of our board other than as a result of an actual or threatened election contest or solicitation of proxies, cease for any reason to constitute at least a majority of our board; or

## Table of Contents

- Consummation of a reorganization, merger, statutory share exchange or consolidation or similar corporate transaction involving Full House or any of our subsidiaries, a sale or other disposition of all or substantially all of our assets, or the acquisition of assets or stock of another entity by Full House or any of our subsidiaries in each case, unless, following such transaction, (A) all or substantially all of the individuals and entities who beneficially owned our outstanding common stock and the combined voting power of our then outstanding voting securities immediately prior to such transaction beneficially own, directly or indirectly, more than 50% of the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such transaction in substantially the same proportions as their ownership, immediately prior to such transaction of our outstanding common stock and the combined voting power of our then outstanding voting securities, as the case may be, (B) no Person (excluding any of our employee benefit plans (or related trusts) or such corporation resulting from such transaction or any person that as of the effective date beneficially owns a controlling interest) beneficially owns, directly or indirectly, 50% or more of the then outstanding shares of common stock of the corporation resulting from such transaction or the combined voting power of the then outstanding voting securities of such corporation except to the extent that such ownership existed prior to the transaction and (C) at least a majority of the members of the board of directors of the corporation resulting from such transaction were members of our board of directors as described in paragraph (2) above at the time of the execution of the initial agreement, or of the action of our board, providing for such transaction; or
- Approval by our stockholders of a complete liquidation or dissolution of Full House.

### *Amendment and Termination.*

Our board of directors may amend, alter, suspend, discontinue or terminate the 2006 plan or the committee's authority to grant awards without further stockholder approval, except that stockholder approval must be obtained for any amendment or alteration if such approval is required by law or regulation or under the rules of any stock exchange or quotation system on which shares of common stock are then listed or quoted. Thus, stockholder approval may not necessarily be required for every amendment to the 2006 plan which might increase the cost of the 2006 plan or alter the eligibility of persons to receive awards. Stockholder approval will not be deemed to be required under laws or regulations, such as those relating to ISOs, that condition favorable treatment of participants on such approval, although the board may, in its discretion, seek stockholder approval in any circumstance in which it deems such approval advisable. Unless earlier terminated by the board, the 2006 plan will terminate at the earliest of

- such time as no shares of common stock remain available for issuance under the 2006 plan,
- termination of the 2006 plan by our board of directors, or
- the tenth anniversary of the effective date of the plan.

Awards outstanding upon expiration of the 2006 plan shall remain in effect until they have been exercised or terminated, or have expired.

### *Federal Income Tax Consequences of Awards.*

The 2006 plan is not qualified under the provisions of section 401(a) of the Code and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974.

### *Nonqualified Stock Options.*

On exercise of a nonqualified stock option granted under the 2006 plan an optionee will recognize ordinary income equal to the excess, if any, of the fair market value on the date of exercise of the shares of stock acquired on exercise of the option over the exercise price. If the optionee is an employee of Full House or a related entity, that income will be subject to the withholding of Federal income tax. The optionee's tax basis in those shares will be equal to their fair market value on the date of exercise of the option, and his holding period for those shares will begin on that date.

If an optionee pays for shares of stock on exercise of an option by delivering shares of our stock, the optionee will not recognize gain or loss on the shares delivered, even if their fair market value at the time of exercise differs from the optionee's tax basis in them. The optionee, however, otherwise will be taxed on the exercise of the option in the manner described above as if he had paid the exercise price in cash. If a separate identifiable stock certificate is issued for that number of shares equal to the number of shares delivered on exercise of the option, the optionee's tax basis in the shares represented by that certificate will be equal to his tax basis in the shares delivered, and his holding period for those shares will include his holding period for the shares delivered. The optionee's tax basis and holding period for the additional shares received on exercise of the option will be the same as if the optionee had exercised the option solely in exchange for cash.

## Table of Contents

We will be entitled to a deduction for Federal income tax purposes equal to the amount of ordinary income taxable to the optionee, provided that amount constitutes an ordinary and necessary business expense for us and is reasonable in amount, and either the employee includes that amount in income or we timely satisfies our reporting requirements with respect to that amount.

### ***Incentive Stock Options.***

The 2006 plan provides for the grant of stock options that qualify as “incentive stock options” as defined in section 422 of the Code, which we refer to as ISOs. Under the Code, an optionee generally is not subject to tax upon the grant or exercise of an ISO. In addition, if the optionee holds a share received on exercise of an ISO for at least two years from the date the option was granted and at least one year from the date the option was exercised, the difference, if any, between the amount realized on a sale or other taxable disposition of that share and the holder’s tax basis in that share will be long-term capital gain or loss.

If, however, an optionee disposes of a share acquired on exercise of an ISO before the end of the required holding period, the optionee generally will recognize ordinary income in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the share on the date the ISO was exercised over the exercise price. If, however, the disqualifying disposition is a sale or exchange on which a loss, if realized, would be recognized for Federal income tax purposes, and if the sales proceeds are less than the fair market value of the share on the date of exercise of the option, the amount of ordinary income recognized by the optionee will not exceed the gain, if any, realized on the sale. If the amount realized on a disqualifying disposition exceeds the fair market value of the share on the date of exercise of the option, that excess will be short-term or long-term capital gain, depending on whether the holding period for the share exceeds one year.

An optionee who exercises an ISO by delivering shares of stock acquired previously pursuant to the exercise of an ISO before the expiration of the required holding period for those shares is treated as making a disqualifying disposition of those shares. This rule prevents “pyramiding” or the exercise of an ISO (that is, exercising an ISO for one share and using that share, and others so acquired, to exercise successive ISOs) without the imposition of current income tax.

For purposes of the alternative minimum tax, the amount by which the fair market value of a share of stock acquired on exercise of an ISO exceeds the exercise price of that option generally will be an adjustment included in the optionee’s alternative minimum taxable income for the year in which the option is exercised. If, however, there is a disqualifying disposition of the share in the year in which the option is exercised, there will be no adjustment with respect to that share. If there is a disqualifying disposition in a later year, no income with respect to the disqualifying disposition is included in the optionee’s alternative minimum taxable income for that year. In computing alternative minimum taxable income, the tax basis of a share acquired on exercise of an ISO is increased by the amount of the adjustment taken into account with respect to that share for alternative minimum tax purposes in the year the option is exercised.

We are not allowed an income tax deduction with respect to the grant or exercise of an incentive stock option or the disposition of a share acquired on exercise of an incentive stock option after the required holding period. However, if there is a disqualifying disposition of a share, we are allowed a deduction in an amount equal to the ordinary income includible in income by the optionee, provided that amount constitutes an ordinary and necessary business expense for us and is reasonable in amount, and either the employee includes that amount in income or we timely satisfies our reporting requirements with respect to that amount.

### ***Stock Awards.***

Generally, the recipient of a stock award will recognize ordinary compensation income at the time the stock is received equal to the excess, if any, of the fair market value of the stock received over any amount paid by the recipient in exchange for the stock. If, however, the stock is non-vested when it is received under the 2006 plan (for example, if the employee is required to work for a period of time in order to have the right to sell the stock), the recipient generally will not recognize income until the stock becomes vested, at which time the recipient will recognize ordinary compensation income equal to the excess, if any, of the fair market value of the stock on the date it becomes vested over any amount paid by the recipient in exchange for the stock. A recipient may, however, file an election with the Internal Revenue Service, within 30 days of his or her receipt of the stock award, to recognize ordinary compensation income, as of the date the recipient receives the award, equal to the excess, if any, of the fair market value of the stock on the date the award is granted over any amount paid by the recipient in exchange for the stock.

The recipient’s basis for the determination of gain or loss upon the subsequent disposition of shares acquired as stock awards will be the amount paid for such shares plus any ordinary income recognized either when the stock is received or when the stock becomes vested. Upon the disposition of any stock received as a stock award under the 2006 plan the difference between the sale price and the recipient’s basis in the shares will be treated as a capital gain or loss and generally will be characterized as long-term capital gain or loss if the shares have been held for more the one year from the date as of which he or she would be required to recognize any compensation income.

***Stock Appreciation Rights.***

We may grant SARs separate from any other award, which we refer to as stand-alone SARs, or in tandem with options, which we refer to as tandem SARs, under the 2006 plan. Generally, the recipient of a stand-alone SAR will not recognize any taxable income at the time the stand-alone SAR is granted.

With respect to stand-alone SARs, if the recipient receives the appreciation inherent in the SARs in cash, the cash will be taxable as ordinary compensation income to the recipient at the time that the cash is received. If the recipient receives the appreciation inherent in the SARs in shares of stock, the recipient will recognize ordinary compensation income equal to the excess of the fair market value of the stock on the day it is received over any amounts paid by the recipient for the stock.

With respect to tandem SARs, if the recipient elects to surrender the underlying option in exchange for cash or shares of stock equal to the appreciation inherent in the underlying option, the tax consequences to the recipient will be the same as discussed above relating to the stand-alone SARs. If the recipient elects to exercise the underlying option, the holder will be taxed at the time of exercise as if he or she had exercised a nonqualified stock option as discussed above, in that case, the recipient will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the shares of stock over the exercise price.

In general, there will be no federal income tax deduction allowed to us upon the grant or termination of stand-alone SARs or tandem SARs. Upon the exercise of either a stand-alone SAR or a tandem SAR, however, we will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that the employee is required to recognize as a result of the exercise, provided that the deduction is not otherwise disallowed under the Code.

***Dividend Equivalents.***

Generally, the recipient of a dividend equivalent award will recognize ordinary compensation income at the time the dividend equivalent award is received equal to the fair market value dividend equivalent award received. We generally will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that the employee is required to recognize as a result of the dividend equivalent award, provided that the deduction is not otherwise disallowed under the Code.

***Section 162 Limitations.***

Section 162(m) to the Code, generally disallows a public company's tax deduction for compensation to covered employees in excess of \$1 million in any tax year beginning on or after January 1, 1994. Compensation that qualifies as "performance-based compensation" is excluded from the \$1 million deductibility cap, and therefore remains fully deductible by the company that pays it. We intend that awards granted to employees under the plan whom the committee expects to be covered employees at the time a deduction arises in connection with such options, may, if and to the extent that the committee determines to do so, be granted in a manner that will qualify as such "performance-based compensation," so that such awards would not be subject to the Section 162(m) deductibility cap of \$1 million. Future changes in Section 162(m) or the regulations thereunder may adversely affect our ability to ensure that options under the 2006 plan will qualify as "performance-based compensation" that are fully deductible by us under Section 162(m).

***Importance of Consulting Tax Adviser.***

The information set forth above is a summary only and does not purport to be complete. In addition, the information is based upon current Federal income tax rules and therefore is subject to change when those rules change. Moreover, because the tax consequences to any recipient may depend on his particular situation, each recipient should consult his tax adviser as to the Federal, state, local and other tax consequences of the grant or exercise of an award or the disposition of stock acquired as a result of an award.

***Awards to Executives***

As of April 23, 2008, our compensation committee granted 1,098,000 shares of restricted stock under the 2006 plan to six executives, one employee of the company, one employee of a related entity and six board members. These shares of restricted stock vest over four years.
