1. Recitals

1.1 The Tribe and Green Acres Casino Management Company, Inc. ("Green Acres") entered into management agreements, dated June 11, 1994, for class II and class III gaming, as amended by an addendum dated January 4, 1995, which addendum, inter alia, added Full House Resorts, Inc. ("FHRI") as part of the management (collectively, the "Original Agreements"). Green Acres and FHRI have made all payments and, together with the Tribe, have otherwise performed all of their obligations required under the Original Agreements.

1.2 With the approval of the Tribe, Green Acres and FHRI have assigned their rights under the Original Agreements to Manager subject to the terms of the Agreement dated as of November 18, 1996, as amended July 1999 (collectively the "Royalty Agreements") between Green Acres, FHRI, GTECH Corporation (whose shares in Manager FHRI has since acquired), and Manager, which, inter alia, provides that Green Acres is not a member of the Manager and will be paid a royalty fee.

1.3 Manager and the Tribe entered into an Amended and Restated Class III management agreement on November 18, 1996, superseding the Original Agreements, and making certain other changes as set forth therein. The Parties made further changes and executed a Temporary Facility Management Agreement and Second Amended and Restated Management Agreement on June 9, 1999. The Temporary Facility Management Agreement was subsequently revised by a later agreement between the Parties dated November 3, 2002, which was forwarded to the National Indian Gaming Commission (NIGC) for review and approval. The Parties now desire to make further changes to the agreement between them, as set forth in this Management Agreement (hereafter Management Agreement or this Agreement) which supersedes all prior written agreements between the Parties.

1.4 The Tribe and Manager intend that the Manager shall provide funds to permit the Tribe (i) to construct a Gaming Facility (as that term is herein defined) suitable for conducting Gaming (as that term is herein defined) on Indian lands in the State of Michigan pursuant to the Tribe's recognized powers of self-government and the Constitution, statutes and ordinances of the Tribe, as well as (ii) for other purposes.

The cost of any charge for security and increased public safety services, including police protection and emergency medical services, shall be an Operating Expense.

3.7 Uniform Commercial Code. Subject to the requirements of this Agreement, the parties agree that Articles I, II, III, IV, V, VI, VII, and IX of the Uniform Commercial Code, as adopted by the State of Michigan, shall govern this Agreement and all activities and contracts involving the Enterprise. All filings for perfection pursuant to Article IX shall be done with the Secretary of State for the State of Michigan unless the Tribe shall establish an office to receive such filings. Nothing in this Section shall constitute a waiver of tribal sovereign immunity, written notification requirements, or constitute consent of the Tribe to the regulatory, adjudicatory or other jurisdiction of the State of Michigan.

3.8 Purchase of Property. Manager has purchased a parcel of land on which the Gaming Facility is planned to be built, the cost of which shall be repaid by the Tribe through the Loan. The legal description of the property is contained in the August 9, 2002, Federal Register notice (67 Fed. Reg. 51867) issued by the BIA ("Notice of final agency determination to take land into trust under 25 C.F.R. part 151"), made an exhibit to this Agreement (Exhibit A) and incorporated herein. Subject to the Legal Requirements, it is the intent of the parties to this Agreement that the parcel shall be transferred to the United States in trust for the benefit of the Tribe and proclaimed part of the Tribe's initial reservation. If, for any reason, the above-described property cannot be placed in trust with the United States, or in the event that the Parties cannot build and operate a Gaming Facility on the property under IGRA, the Parties agree to obtain a suitable parcel of land in accordance with the Legal Requirements.

4 Business Affairs in Connection with Enterprise.

4.1 Manager's Authority and Responsibility. All business and affairs in connection with the day-to-day operation, management, maintenance and improvement of the Gaming Facility, including the establishment of operating days and hours, consistent with the Tribal Gaming Ordinance, shall be the responsibility of the Manager. The Manager is hereby granted the necessary power and authority to act, through the General Manager, in order to fulfill its responsibilities under this Agreement. The General Manager shall be a person selected by the Manager, subject to the approval of the Tribe, which approval shall not be unreasonably withheld.

4.1.1 Manager's Authority and Responsibility Regarding Additional improvements. The Parties agree that Manager's share of revenues derived from additional improvements which the Tribe may choose to build on or near the Property after the Commencement Date shall be dependent on Manager's involvement in financing such improvement(s), and the level of Manager's duties and responsibilities associated with the planning, design, construction, operation and maintenance of any such improvement(s), or the activities occurring in the improvement(s), all as the Tribe may delegate to Manager, and the Parties agree upon through subsequent negotiation. Nothing herein shall deny Manager the exclusive right, during the term of this Agreement, to operate any and all Gaming activities on the Property on the Tribe's behalf as may be permitted under IGRA and the Tribe-State compact.

4.2 Duties of the Manager. In managing, operating, maintaining, improving and repairing the Gaming Facility, the cost of which shall be either an Operating Expense or Capital Expense, the Manager's duties shall include, without limitation, the following:

4.2.1 Management. The Manager shall use reasonable measures for the orderly administration, management, and operation of the Enterprise including without limitation cleaning, painting, decorating, plumbing, carpeting, grounds care and such other maintenance and repair and improvement work as is reasonably necessary.

4.2.2 Contracts in Enterprise's Name and at Arm's Length. Contracts for the operations of the Enterprise shall be entered into in the name of the Enterprise and be signed by the General Manager. Except in the event of an emergency, any contract requiring an expenditure in any year in excess of Twenty-Five Thousand Dollars (\$25,000) shall be approved by the Tribe. No contracts for the supply of goods or services to the Enterprise shall be entered into with parties affiliated with the Manager or its officers or directors unless the affiliation is disclosed to the Tribe in writing, and the contract terms are determined by the Tribe to be no less favorable for the Enterprise than could be obtained from a non-affiliated contractor. Notwithstanding anything to the contrary contained herein, contracts for the supply of any goods or services paid for entirely by the Manager may be provided by parties affiliated with the Manager or its officers or directors, provided that payments on such contracts shall not constitute Operating Expenses and

shall be the sole responsibility of the Manager. Absent the prior written approval of the Tribal Council, no contract entered into by Manager or entered into in the name of the Enterprise shall contain as a provision a waiver of the Tribe's sovereign immunity from suit.

4.2.3 Culturally Sensitive Material. The Manager agrees that the choices involving the Enterprise and the Gaming Facility including but not limited to the Enterprise Employees' uniforms, interior design, promotions and marketing shall be culturally appropriate and shall in no way denigrate Indian history or culture by the use of stereotyped images, symbols and language. If, at any time, the Manager is notified by the Tribe that any such activity is not culturally appropriate, the Manager shall have thirty (30) days to cease such activity.

4.3 Damage, by fire, war casualty, Act of God, Condemnation.

4.3.1 If, during the Term, the Gaming Facility is damaged or destroyed by fire, war, Act of God or other casualty, or if the Property or the Gaming Facility is partially condemned, the Manager agrees to carry sufficient insurance to rebuild the Gaming Facility and shall reconstruct the Gaming Facility to a condition at least comparable to that before the casualty or partial condemnation occurred. The insurance or condemnation proceeds shall be applied to that reconstruction, which shall be completed as soon as possible. If the insurance or condemnation proceeds are insufficient to reconstruct the Gaming Facility to such condition where Gaming can once again be conducted, the Manager may supply such additional funds as are necessary to reconstruct the Gaming Facility to such condition and such funds shall, with the prior consent of the Tribe, constitute a loan to the Tribe, secured by the revenues from the Enterprise as Collateral, and repayable under the terms of the Loan Agreement unless other terms are agreed upon by the Tribe and the Manager.

4.3.2 Total condemnation. In the event that the Enterprise or the Property is condemned in total by a governmental agency with the lawful authority to carry out such an action, the proceeds from any such condemnation award shall be applied (i) to retire any amounts due under the Loan Agreement, and, if any sums remain, (ii) to pay the Tribe, as owner for the value of the land, buildings, and fixtures; provided, however, that any condemnation award that includes lost profits shall be shared between the Parties, with the allocation to Manager calculated on the basis of Manager's remaining term and its percentage share of Net Revenues. The Parties shall retain all money previously paid under Section 6 of this Agreement.

4.4 Manager's Obligation; Suspension of Manager's Duties. The Manager's obligations under this Agreement, except for its obligation under Sections 3.1.1.1 and 6.13, are conditioned on (i) NIGC approval of this Agreement and (ii) the timely issuance of all required approvals for the construction of the Gaming Facility. If during the Term, Gaming on the Property is: (i) legally prohibited or (ii) rendered economically unfeasible as a result of the Tribe's default under this Agreement or the adoption of a Tribal Ordinance or other Tribal law, the Manager may suspend its duties under this Agreement.

4.5 Tolling of the Agreement. If, after a period of cessation of Gaming on the Property

because of damage, destruction or condemnation or because Gaming on the Property is: (i) legally prohibited or (ii) rendered economically unfeasible as a result of the Tribe's default under this Agreement or the adoption of a Tribal Ordinance or other Tribal law, the recommencement of Gaming shall be legally and commercially feasible in the sole judgment of the Manager, and if the Manager has not terminated this Agreement, the period of such cessation shall not be deemed to have been part of the Term and the date of expiration of the Term shall be extended by the number of days of such cessation period; provided that the extension shall not exceed twelve months.

4.6 Employees.

4.6.1 Manager's Responsibility. Manager shall have, subject to licensing by the Gaming Commission and the terms of this Agreement, the exclusive responsibility and authority to hire, direct, select, control and discharge all Enterprise Employees, including security personnel, performing regular services for the Enterprise in connection with the maintenance, operation, and management of the Enterprise and the Gaming Facility and any activity upon the Property; and the sole responsibility for determining whether a prospective employee is qualified and the appropriate level of compensation to be paid. Manager will make all reasonable efforts to hire members of the Tribe into management positions for the Enterprise and to provide training of such personnel as required under sections 4.6.8 and 9.18.3 of this Agreement. Such efforts will include without limitation hiring qualified members of the Tribe in the management positions for the Enterprise.

4.6.2 Enterprise Employee Policies. The Manager shall prepare a draft of personnel policies and procedures (the "Enterprise Employee Policies"), including a job classification system with salary levels and scales, which policies and procedures the Manager shall submit to the Tribal Council for its approval. The Enterprise Employee Policies shall include a grievance procedure in order to establish fair and uniform standards for the employees of the Tribe engaged in the Enterprise as required by NIGC regulations. The grievance procedure shall be administered by a Grievance Committee comprised of the General Manager, a person appointed by the Tribal Council and a third member agreed on by the Manager and the Tribal Council. Any revisions to the Enterprise Employee Policies shall not be effective unless they are approved in the same manner as the original Enterprise Employee Policies. All such actions shall comply with applicable Tribal law.

4.6.3 Manager's Employee. The Manager shall employ the person holding the position of General Manager.

4.6.4 Enterprise Employees. Employees of the Enterprise will be designated as employees of the Tribe.

4.6.5 No Manager Wages or Salaries. Except for the Management Fee, neither the Manager nor any of its officers, directors, shareholders, or employees shall be compensated by wages from or contract payments other than the Management Fee by the Enterprise for their efforts or for any

work which they perform under this Agreement. Nothing in this subsection shall restrict the ability of an employee of the Enterprise to purchase or hold stock in the Manager, its parents, subsidiaries or affiliates where (i) such stock is publicly held, and (ii) such employee acquires, on a cumulative basis, less than five percent (5%) of the outstanding stock in the corporation, provided that no elected member of the Tribal Council shall be permitted to have any financial interest in Manager. The Manager is prohibited from hiring consultants to perform Manager's responsibilities.

4.6.6 Access of Gaming Commission and Appointed Agents. The Gaming Commission or its appointed agents shall have the full access to inspect all aspects of the Enterprise, including the daily operations of the Enterprise, and to verify daily Gross Revenues and all income of the Enterprise, at any time without notice. The Enterprise shall reimburse the Tribe for the reasonable costs of operation of the Gaming Commission as an Operating Expense of the Enterprise up to a maximum annual amount of two million dollars (\$2,000,000).

4.6.7 Employee Background Checks. A background investigation shall be conducted in compliance with all Legal Requirements, to the extent applicable, on each applicant for employment as soon as reasonably practicable. No individual whose prior activities, criminal record, if any, or reputation, habits and associations are known to pose a threat to the public interest, the effective regulation of Gaming, or to the gaming licenses of the Manager or any of its affiliates, or to create or enhance the dangers of unsuitable, unfair or illegal practices and methods and activities in the conduct of Gaming, shall be employed by the Manager or the Tribe. The background investigation procedures employed shall be formulated in consultation between the Tribe and the Manager and shall satisfy all regulatory requirements independently applicable to the Manager. Any cost associated with obtaining such background investigations shall constitute an Operating Expense, provided, however, the costs of background investigations relating to shareholders, officers, directors or employees of the Manager shall not constitute an Operating Expense, but shall be paid by the Manager.

4.6.8 Indian Preference in Employment. In order to maximize benefits of the Enterprise to the Tribe, the Manager shall, during the term of this Agreement, to the extent permitted by applicable law, give preference in recruiting, training and employment to qualified members of the Tribe and their spouses and children in all job categories of the Enterprise, including management positions. The Manager shall provide training programs for Tribal members and their spouses and children. Such training programs shall be available to assist Tribal members in obtaining necessary skills and qualifications relating to all job categories. Final determination of the qualifications of Tribal members and all other persons for employment shall be made by Manager, subject to licensing by the Gaming Commission.

4.6.9 Removal of Employees. The General Manager will act in accordance with the Enterprise Employee Policies with respect to the discharge, demotion or discipline of any Enterprise Employee.

4.7 Marketing and Advertising. Manager shall have the responsibility for setting the advertising budget and placing advertising and promoting the Enterprise, the budget for which shall be included in the annual budget approved by the Tribe as described in Section 4.9. Manager may participate in sales and promotional campaigns and activities involving complimentary rooms, food, beverage, shows, chips and tokens, provided that Manager shall receive no compensation or other remuneration from any marketing, advertising, sales or promotional campaign.

4.8 Start-Up and Pre-Opening. Six (6) months prior to the scheduled Commencement Date, Manager shall commence implementation of a Start-Up and Pre-Opening program which shall include all activities necessary to financially and operationally prepare the Gaming Facility for opening. To implement the Start-Up and Pre-Opening program, Manager shall prepare a comprehensive Start-Up and Pre-Opening budget which shall be submitted to the Tribe for its approval sixty (60) days after the Effective Date ("Pre-Opening Budget"). All costs and expenses of the Pre-Opening program shall be paid from a special bank account(s) opened by Manager in the name of the Enterprise upon which only Enterprise's designees shall be authorized to draw ("Pre-Opening Bank Account(s)"). After all Start-Up and Pre-Opening expenses have been paid, the balance in the Start-Up and Pre-Opening Bank Account(s) shall be transferred to the Depository Account established under section 4.13.2 and the Start-Up and Pre-Opening Bank Account(s) closed.

4.9 Operating and Capital Expense Budgets.

4.9.1 Approval of Budgets. Manager shall, at least sixty (60) days prior to the scheduled Commencement Date, submit to the Tribe, for its approval, a proposed Operating Budget and Capital Expense Budget for the remainder of the current fiscal year. Thereafter, Manager shall, not less than sixty (60) days prior to the commencement of each full or partial fiscal year, submit to the Tribe, for its approval, proposed Budgets for the ensuing full or partial fiscal year, as the case may be. Manager shall meet with the Tribe to discuss the proposed Budgets and the Tribe's approval of the Budgets shall not be unreasonably withheld.

4.9.2 Budget Revisions. Manager may submit to the Tribe revisions in the Budgets from time to time, as necessary, to reflect any unpredicted significant changes, variables or events or to include significant, additional, unanticipated items of income or expense. With approval of the Tribe, Manager may reallocate part or all of the amount budgeted with respect to any line item to another line item and to make such other modifications to the Budget as Manager deems necessary. The Manager shall not make any expenditures from funds or assets of the Enterprise except as set forth in the Budgets.

4.10 Contracting. In entering contracts for the supply of goods and services for the Enterprise, the Manager shall give preference to qualified members of the Tribe, their spouses and children, and qualified business entities certified by the Tribe to be controlled by members of the Tribe so long as the prices and/or rates are competitive. "Qualified" shall mean a member of the Tribe, a

Member's spouse or children, or a business entity certified by the Tribe to be controlled by members of the Tribe, who or which is able to provide goods and/or services at competitive prices and/or rates, has demonstrated skills and abilities to perform the tasks to be undertaken in an acceptable manner, in the Manager's opinion, can meet the reasonable bonding requirements of the Manager, and if a vendor is licensed by the Gaming Commission. The Manager shall provide written notice to the Tribe in advance of all such contracting, subcontracting, and construction opportunities.

4.11 Litigation. If the Enterprise, the Tribe, the Manager, or any employee of the Enterprise or any employee of Manager is sued by any person who is not a party to this Agreement, including claims involving tort or breach of contract, or is alleged by any such person to have engaged in unlawful or discriminatory acts in connection with the operation of the Enterprise, the Tribe or the Manager, as appropriate, shall defend such action. Any cost of such litigation shall constitute an Operating Expense, or, if incurred prior to the Commencement Date, shall be a start-up expense. Nothing in this Section 4.11 shall be construed to waive or limit the Tribe's sovereign immunity.

4.12 Internal Control Systems. The Manager shall install systems for monitoring the Enterprise (the "Internal Control Systems") prior to the Commencement Date as required by 25 C.F.R. Part 542 of the NIGC Minimum Internal Control Standards ("MICS") for Tier C gaming operations. The Internal Control Systems shall comply with all Legal Requirements. The Manager shall submit the Internal Control Systems to the Gaming Commission and any other governmental agency required to approve such systems prior to their implementation. Any significant changes to the Internal Control Systems shall be subject to review and approval by the Gaming Commission and the Tribal Council prior to implementation. The Gaming Commission shall have the right, at any time, to inspect and review the Internal Control Systems and to retain an auditor to (i) review the adequacy of the Internal Control Systems and (ii) perform internal audit functions at a minimum to meet the requirements of 25 C.F.R. Part 542 of the NIGC MICS. To the extent not covered above, Manager shall also install such other security system(s) as are standard in the gaming industry to prevent theft, fraud or other illegal activity by either employees or Gaming patrons so as to ensure the integrity of the Enterprise's Gaming activities.

4.12.1 The Manager shall install and maintain a closed circuit television system to be used to provide surveillance over Gaming areas, including all cash handling activities of the Enterprise to meet all Legal Requirements. Manager shall also install surveillance systems over non-gaming areas, including parking areas, to better ensure the safety of the public. The Gaming Commission shall have full access to the closed circuit television system for use in monitoring the activities of the Enterprise.

4.13 Banking and Bank Accounts.

4.13.1 Bank Accounts. The Tribe and Manager shall agree upon a bank or banks for the deposit

and maintenance of funds and shall establish such bank accounts insured by the FDIC as they deem appropriate and necessary in the course of business and as consistent with this Agreement.

4.13.2 Daily Deposits to Depository Account. The Manager with the Tribe's approval shall establish for the benefit of the Enterprise in the Enterprise's name a Depository Account. The Manager shall collect all Gross Revenues and other proceeds connected with or arising from the operation of the Enterprise, the sale of all products, food and beverage, and all other activities of the Enterprise and deposit the related cash daily into the Depository Account at least once during each 24-hour period except where deposit cannot be made during a 24 hour period because (1) it is a Bank holiday or (2) an Act of God prevents the deposit of proceeds in the place designated for deposit in which case the deposit shall be made on the next business day. All money received by the Enterprise on each day that it is open must be counted at the close of operations for that day or at least once during each 24-hour period except to the extent that slot machine drop for that day is insufficient to warrant daily drops and count, and no payment or other distribution out of Gross Revenues shall be made before their deposit. The Parties agree to obtain a bonded transportation service to effect the safe transportation of the daily receipts to the bank, which expense shall constitute an Operating Expense.

4.13.3 Disbursement Account. The Manager with the Tribe's approval shall establish for the benefit of the Enterprise in the Enterprise's name one or more disbursement accounts (collectively, the "Disbursement Accounts"). Separate Disbursement Accounts shall be maintained for the various Reserve Funds. The Manager shall, consistent with and pursuant to the Budgets, have responsibility and authority for transferring funds from the Depository Account to the Disbursement Accounts and for making all payments for Operating Expenses, Capital Expenses, debt service, the Management Fee and disbursements to the Tribe from the Disbursement Accounts.

4.13.4 No Cash Disbursements. The Manager shall not make any cash disbursements from the bank accounts. The Manager shall not make any cash disbursements to itself from any Enterprise fund or account for any reason. Except as provided in Section 4.13.5, any other payments or disbursements by the Manager shall be made by check drawn against a Disbursement Account.

4.13.5 Minimum Casino Bank Roll. Manager shall establish and maintain sufficient cash operating funds in the Enterprise vault and cage or other readily accessible funds to meet the daily operating needs of the Enterprise (including non-gaming activities). The size of these funds shall be determined with due regard to the Operating Budget and applicable Federal regulations setting minimum internal control standards for Class II and Class III devices.

4.13.6 Capital Reserve Fund. The Manager shall establish and maintain for the benefit of and in the name of the Enterprise a Capital Reserve Fund to pay Capital Expenses in accordance with the Capital Expense Budget. To the extent that Net Revenues are available under the terms of Article 6 herein, the Manager shall deposit monthly in the Capital Reserve Fund an amount equal

to two percent (2%) of the Net Revenues, provided that without the consent of the Tribe the Capital Reserve Fund balance shall not exceed Four Million Dollars (\$4,000,000). Any interest earned on the Capital Reserve Fund shall be added to the Capital Reserve Fund, subject to the Four Million Dollar (\$4,000,000) cap, and otherwise distributed to the Tribe on a monthly basis.

4.13.7 Investments. The Manager may invest any of the funds in the Reserve Funds in bank accounts, treasury bills or other instruments guaranteed or insured by the United States with a term not to exceed three months unless the Manager and Tribe agree otherwise. All bank accounts shall be insured by the FDIC or other mutually agreed upon commercial insurance or shall be adequately collateralized by the Financial Institution.

4.14 Insurance. The Manager, on behalf of the Tribe, shall obtain and maintain, or cause its agents to obtain and maintain, with responsible insurance carriers licensed to do business in the State of Michigan, insurance satisfactory to the Tribe covering the Property and the Enterprise, and naming the Tribe, the Enterprise, the Manager, its parent and other affiliates as insured parties, as follows:

All materials and equipment in any off-site storage location intended for permanent use in the Gaming Facility, or incident to the construction thereof, shall be insured on an "all risk" basis as soon as the same have been acquired for the Enterprise.

4.14.2 Commercial general liability insurance in an amount not less than Fifteen Million Dollars aggregate for all activities on, about or in connection with the Improvements. The commercial general liability insurance shall include premises liability, contractor's protective liability on the operations of all subcontractors, completed operations and blanket contractual liability. The automobile liability insurance shall cover owned, non-owned and hired vehicles.

4.14.3 Upon completion of the construction of the Improvements "all risk" insurance on the Gaming Facility against loss by fire, lightning, earthquake, or other natural disasters, extended coverage perils, collapse, water damage, vandalism, malicious mischief and all other risks and contingencies, in an amount equal to the actual replacement costs thereof, without deduction for physical depreciation, with coverage for demolition and increased costs of construction, and providing coverage in an "agreed amount" or without provision for co-insurance.

4.14.4 Worker's Compensation and Employer's Liability Insurance subject to the statutory limits of the State of Michigan in respect of any work or other operations on, about or in connection with the Enterprise, provided that nothing in the Agreement shall grant any jurisdiction over the Enterprise or its employees to the State of Michigan or any political subdivision thereof.

4.14.5 Business interruption insurance in an amount to cover the projected Operating Expenses, Loan Payments and Minimum Guaranteed Payment and Preferred Payment for not less than twelve (12) months or such greater amounts as to which the Manager and Tribe may agree.

4.14.6 Such other insurance with respect to the Enterprise and in such amounts as the Parties from time to time may reasonably agree upon against such other insurable hazards which at the time are commonly insured against in respect of businesses and property similar to the Enterprise.

4.14.7 The insurance policies required under Subsections 4.14.1, 4.14.3, 4.14.5 and 4.14.6 above all have a standard noncontributory endorsement naming Manager as an additional loss payee. The insurance required under Subsection 4.14.2 above shall name the Manager as an additional insured. All insurance required hereunder shall contain a provision requiring at least sixty (60) days' prior written notice to the Manager and the Tribe before any cancellation, material changes or reduction shall be effective. Any deductibles must be approved by Manager and the Tribe.

4.14.8 Each policy as to which the Tribe is named as an insured shall provide that the insurer shall not plead or assert the defense of sovereign immunity within the policy limits. The Tribe shall not be liable beyond those limits.

4.15 Accounting and Books of Account.

4.15.1 Financial Statements. The Manager shall prepare and provide monthly, quarterly and annual financial reports and operating statements to the Tribal Council and the Gaming Commission and to such other governmental agencies as the Compact or applicable law may require. The Financial Statements shall comply with all Legal Requirements and shall include balance sheets, income statements, and statements of cash flow (statement of changes in financial position) for the Enterprise, including a breakdown by gaming activity. Such statements shall include the Operating Budget and Capital Budget projections (the Annual Plan) as comparative statements, and, after the first full year of operation, shall include comparative statements from the comparable period for the prior year of all revenues, and all other amounts collected and received and all deductions and disbursements made therefrom in connection with the Enterprise. The Operating Statements shall include, at a minimum, game statistical reports. All such statements shall be prepared in accordance with GAAP consistently applied.

4.15.2 Books of Account. The Manager shall maintain full and accurate books of account and records at the Property. The Gaming Commission, and any tribal government official authorized by law to have such access, shall have immediate access to the daily operations of the Enterprise, including the books and records, and shall have the unlimited right to inspect, examine, and copy all such books and supporting business records, and the right to verify the daily Gross Revenues and income from the Enterprise and shall have access to any other gaming related information the Tribe deems appropriate. Such rights may be exercised through a duly authorized agent, employee, attorney, or independent accountant acting on behalf of the Gaming Commission or the authorized tribal government agency, provided that the authority of said individual is first presented in writing to the Manager.

4.15.3 Accounting and Audit Standards. Manager shall establish and maintain satisfactory accounting systems and procedures which comply with all applicable Legal Requirements, including NIGC regulations establishing Minimum Internal Control Standards for internal audit for Tier C gaming operations. Such accounting systems and procedures, at a minimum, shall (i) include an adequate system of internal accounting controls; (ii) permit the preparation of financial statements in accordance with GAAP; (iii) be susceptible to audit; (iv) permit the calculation and payment of the Management Fee; (v) allow the Enterprise, the Tribe and the NIGC to calculate the annual fee under 25 C.F.R. § 514.1, and such other payments as may be due any other governmental entity; and (vi) provide for any appropriate allocation of Operating Expenses or overhead expenses among the Tribe, the Enterprise, the Manager and any other user of shared facilities and services.

4.15.4 Annual Audit. An independent certified public accounting firm which is registered with the Public Accounting Oversight Board shall be selected by the Tribal Council and approved by the Gaming Commission for the purpose of performing an annual audit of the books and records of the Enterprise. Said audit shall meet all Legal Requirements including NIGC audit standards as set out in applicable regulations, including 25 C.F.R. § 571.12 and 542.3(f) and shall, unless otherwise authorized by Tribal Council resolution, be separate and distinct from any audit required by the Single Audit Act of 1984, 31 U.S.C. § 750 et seq. The Gaming Commission, the NIGC and any other legally authorized government agency shall also have the right to perform special audits of the Enterprise on any aspect of the Enterprise and its operations at any time without restrictions. Copies of such audits shall be provided by the Tribe to all applicable federal (including the NIGC, within 120 days after the end of each fiscal year of the gaming operation) and state agencies, as may be required by law or the Compact, and may be used by the Manager for reporting purposes under federal and state securities laws, if required. The fees for the services of the independent auditor shall be an Operating Expense.

5 Liens. The Tribe specifically warrants and represents to the Manager that during the Term the Tribe shall not act in any way whatsoever, either directly or indirectly, to cause any party to become an encumbrancer or lienholder of the Property or the Enterprise, or to allow any party to obtain any interest in this Agreement without the prior written consent of the Manager, and where applicable, the consent of the United States. The Manager specifically warrants and represents to the Tribe that during the Term the Manager shall not act in any way, directly or indirectly, to cause any party to become an encumbrancer or lienholder of the Property or the Enterprise, or to obtain any interest in this Agreement without the prior written consent of the Tribe, and, where applicable, the consent of the United States. The Tribe and the Manager shall keep the Enterprise and Property free and clear of all enforceable mechanics' and other enforceable liens resulting from the construction of the Gaming Facility and all other enforceable liens which may attach to the Enterprise or the Property, which shall at all times remain the property of the United States in trust for the Tribe. If any such lien is claimed or filed, it shall be the duty of the Party responsible for the lien to discharge the lien within thirty (30) days after

having been given written notice of such claim, either by payment to the claimant, by the posting of a bond or the payment into the court of the amount necessary to relieve and discharge the Property from such claim, or in any other manner which will result in the discharge of such claim. Notwithstanding the foregoing, purchase money security interests in personal property may be granted with the prior written consent of the Tribe and, when necessary, the BIA, United States Department of the Interior and/or the NIGC as appropriate.

6 Calculation and Distribution of Funds.

6.1 Calculation and Revenues and Payment of Operating Expenses. On or before the twentieth (20) day after the end of each calendar month of operations during the Term, the Manager shall calculate and report to the Tribe the Gross Revenues, Operating Expenses, and Net Revenues, together with the distributions made under this section, for such month and the year to date. From the Gross Revenues, Manager shall pay all Operating Expenses.

6.2 Distribution of Net Revenues. After the payment of Operating Expenses, Net Revenues shall be distributed in the following order of priority set out herein.

6.3 Minimum Guaranteed Monthly Payment. On or before the twentieth (20th) day of each calendar month following the first full calendar month after the Commencement Date, Manager shall pay the Tribe a Minimum Guaranteed Monthly Payment in the amount of Fifty Thousand Dollars (\$50,000) (the "Minimum Guaranteed Monthly Payment"), and such payment shall have priority over the retirement of any Development and Construction Costs. Minimum Guaranteed Monthly Payments shall be charged against the Tribe's distribution of Net Revenues and, if there are insufficient Net Revenues in a given month to make the distribution, Manager shall advance the funds necessary to compensate for the deficiency; and shall be reimbursed by the Tribe in the next succeeding month or months as a Recoupment Payment as provided in Section 6.6 herein. No Minimum Guaranteed Monthly Payment shall be owed for any full months during which Gaming is suspended or terminated at the Gaming Facility pursuant to Sections 4.3 or 4.4, but shall be prorated based on the number of days that Gaming is conducted during any such month. The obligation shall cease upon termination of this Agreement for any reason.

6.4 Payment of Tribe's Preferred Payment. In addition to the payment of the Tribe's Minimum Guarantee, Manager shall next make a second distribution to the Tribe constituting a Preferred Payment in the amount of \$200,000 per month, charged against the Tribe's distribution of Net Revenues. In the event that there are insufficient Net Revenues in a given month to make the distribution, then the shortfall shall be paid to the Tribe in the next succeeding month or months. No payment of the Tribe's Preferred Payment shall be owed for any full months during which Gaming is suspended or terminated at the Gaming Facility pursuant to Sections 4.3 or 4.4 but shall be prorated based on the number of days that Gaming is conducted during any such month. The obligation shall cease upon termination of this Agreement for any reason.

6.5 Repayment of Loan Principal. Until repaid in full, the Manager shall be entitled to an amount sufficient to repay principal due on the Loan. The principal amounts due under this

Section 6.5 shall be paid out of the Tribe's share of Net Revenues in monthly payments amortized over the Term of this Agreement. In the event that there are insufficient Net Revenues in a given month to make the principal payment, then the shortfall shall be paid to Manager in the next succeeding month or months as a Recoupment Payment under section 6.6 herein. Notwithstanding anything herein to the contrary, in the event that the Parties are required to pay points or a loan origination fee as a condition for receipt of the Loan for the Project, the Parties agree to share the cost of the points or loan origination fee based on their respective shares of Net Revenues under this Agreement. The Parties will contribute their share of the fee during the term of this Agreement.

6.6 Recoupment Payments. Next, until paid in full, the Manager shall be entitled to any Recoupment Payments that may be owed. No interest shall accrue or be paid on any Recoupment Payment.

6.7 Management Fee. Next, to pay the Manager a Management Fee in an amount equal to twenty-six percent (26%) of the Net Revenues; provided that if there are insufficient funds in any month to pay the Management Fee in full, because the Tribe's Share of Net Revenues is insufficient to pay the principal due under Section 6.5 (and therefore, the principal is paid from funds that would have otherwise paid the Management Fee), then the shortfall shall be paid to the Manager in the next succeeding month or months as a Recoupment Payment. It is understood that the Manager will pay a royalty fee to Green Acres out of its Management Fee as provided in the Royalty Agreements.

6.8 Capital Reserve Fund. Next, to fund the Capital Reserve Fund in accordance with Section 4.13.6. In the event of a Total Condemnation, the Capital Reserve Fund shall be distributed to the Tribe.

6.9 Tribal Disbursements. Any amount remaining shall be distributed to the Tribe. The Net Revenues paid to the Tribe pursuant to this Section 6 shall be payable to a Tribal bank account specified by the Tribe.

6.10 Payment of Total Condemnation Proceeds. Finally, as provided in section 4.3.2 herein, in the event that the Enterprise or the Property is condemned in total by a governmental agency with the lawful authority to carry out such an action, the proceeds from any such condemnation award shall be applied (i) to retire any amounts due under the Loan Agreement, and, if any sums remain, (ii) to be paid to the Parties in accordance with the requirements of section 4.3.2 of this Agreement. The Parties shall retain all money previously paid under Section 6 of this Agreement.

6.11 Repayment of Additional Principal. Subject to the requirements of sections 3.1.6 and 3.1.7.1, the maximum amount of principal to be repaid by the Tribe herein during the term of this Agreement shall not exceed One Hundred and Forty-Two Million (\$142,000,000). The Tribe, at its option, may prepay all or any part of the principal due Manager under this Agreement and the Loan Documents without penalty.

6.12 Operative Dates. For purposes of this Section 6, the first year of operations shall begin on the Commencement Date and continue until the first day of the month following the first anniversary of the Commencement Date, and each subsequent year of operations shall be the 12-month period following the end of the previous year. Notwithstanding the foregoing, except as provided in Section 4.5, the Term shall not extend beyond seven years (7) after the Commencement Date. Notwithstanding anything to the contrary, the fiscal year for the Enterprise shall coincide with the Tribe's fiscal year.

6.13 Tribal Operations Loan. Commencing January 1, 1999, through the date of execution of this Agreement, Manager has loaned the sum of Twenty Thousand Dollars (\$20,000) per month to the Tribe, to subsidize Tribal operations (the "Tribal Operations Loan"). As a result of delays in obtaining governmental approvals, occasioned by third-party legal challenges, and to meet growing Tribal operational needs, Manager agrees to loan the Tribe the sum of Forty Thousand Dollars (\$40,000) per month for the Tribal Operations Loan. Monthly payments to the Tribe as part of the Tribal Operations Loan shall end upon the Commencement Date. The outstanding balance of Tribal Operations Loan shall not bear interest until the Effective Date; provided, however, that the Tribe agrees to pay an annual interest rate of nine and one-quarter percent (9.25%) on the second payment of \$20,000 per month from the date on which such additional Tribal Operations Loan is made to the Tribe through the Effective Date. Following the Effective Date, the outstanding balance of the total Tribal Operations Loan shall bear interest at the interest rate set forth in Section 3.2 of the Loan Agreement, with the interest rate calculated as of the Effective Date. The Tribal Operations Loan shall be treated as a Pre-Financing Cost under this Agreement. Manager shall pay the Tribe the revised Tribal Operations Loan amount upon the Parties' signing of this Agreement, notwithstanding the requirement to obtain the signature of any other entity or official to this Agreement.

6.14 Year-end Adjustment. Within thirty (30) days after the receipt of the audit for each fiscal year of the Enterprise, Manager shall determine in consultation with the Tribe the correct amount of the Management Fee for such fiscal year based on twenty-six percent (26%) of the Net Revenues for such year and either remit to the Tribe or deduct from the next distribution to the Tribe the amount of the over or underpayment of the Management Fee.

7 Trade Names, Trade Marks and Service Marks.

7.1 Enterprise Name. The Enterprise shall be operated under such business name as the Tribe may select (the "Enterprise Name").

7.2 Trade Names, Trade Marks and Service Marks. Prior to the Commencement Date, the Parties shall determine the other trade names, trade marks and service marks to be used by the Enterprise (the "Tribe's Marks") and from time to time during the term hereof, Manager agrees to erect and install, in accordance with local codes and regulations, all signs Manager deems necessary in, on or about the Gaming Facility, including, but not limited to, signs bearing the Tribe's Marks. The costs of purchasing, leasing, transporting, constructing, maintaining and

installing the required signs and systems shall be an Operating Expense of the Enterprise and accounted for in accordance with GAAP. The Enterprise will be primarily identified with the Tribe's Marks.

7.3 Manager's Marks. The Tribe agrees to recognize the exclusive right of ownership of Manager or its parents to all of Manager's service marks, trademarks, copyrights, trade names, patents or other similar rights or registrations now or hereafter held or applied for in connection therewith (collectively, the "Manager's Marks"). The Tribe hereby disclaims any right or interest therein, regardless of any legal protection afforded thereto. The Tribe acknowledges that all of Manager's Marks might not be used in connection with the Enterprise, and Manager shall have sole discretion to determine which of Manager's Marks shall be so used. The Tribe covenants that in the event of termination, cancellation or expiration of this Agreement, whether as a result of a default by Manager or otherwise, the Tribe shall not hold itself out as, or continue operation of the Enterprise as a Manager's casino nor will it utilize any of Manager's Marks or any variant thereof in the operation of the Gaming Facility. The Tribe agrees that Manager or its parent or their respective representative may, at any time thereafter, enter the Gaming Facility and may remove all signs, furniture, printed material, emblems, slogans or other distinguishing characteristics which are now or hereafter may be connected or identified with Manager or which carry any Manager's Mark. The Tribe shall not use the Manager's or its parent's name, or any variation thereof, directly or indirectly, in connection with (a) a private placement or public sale of security or other comparable means of financing or (b) press releases and other public communications, without the prior written approval of Manager or its parent.

7.4 Litigation Involving Manager's Marks. The Enterprise and Manager hereby agree that in the event the Enterprise and/or Manager is (are) the subject of any litigation or action brought by anyone seeking to restrain the use, for or with respect to the Enterprise or the Manager of any Manager's Mark used by Manager for or in connection with the Enterprise, any such litigation or action shall be defended entirely at the expense of Manager, notwithstanding that Manager may not be named as a party thereto.

8 Taxes.

8.1 State and Local Taxes. The Parties agree that the State of Michigan and its local governments have no authority to impose any possessory interest, property, or sales tax on any Party to this Agreement or upon the Enterprise, and that the Parties and the Enterprise shall take all reasonable steps to resist such a tax. The reasonable costs of such action and the compensation of legal counsel shall be an Operating Expense of the Enterprise. Any tax paid and determined lawful by a court of competent jurisdiction shall constitute an Operating Expense of the Enterprise. This Section shall in no manner be construed to imply that any Party to this Agreement or the Enterprise is liable for any such tax.

8.2 Tribal Taxes. The Tribe agrees that neither it nor any agent, agency, affiliate or representative of the Tribe will impose any taxes, fees, assessments, or other charges of any

nature whatsoever on payments of any debt service to Manager or to any lender furnishing financing for the Property, the Gaming Facility or for the Enterprise, or on the Enterprise, the Gaming Facility, Furniture and Equipment, the revenues therefrom or on the Management Fee; provided, however, the Tribe may impose license fees reflecting reasonable out-of-pocket regulatory costs paid by the Tribe. The Tribe further agrees that neither it nor any agent, agency, affiliate or representative will impose any taxes, fees, assessments or other charges of any nature whatsoever on the salaries or benefits, or dividends paid to, any of the Manager's stockholders, officers, directors, or employees. The Parties agree, however, that the Enterprise may be subject to a general Tribal tax on businesses operating on Tribal lands. If, contrary to this Section 8.2, any taxes, fees or assessments are levied by the Tribe on Manager, Manager's stockholders, officers, directors, or its employees, such taxes, fees and assessments shall be paid solely from the Tribe's Share of Net Revenues.

9 General Provisions.

9.1 Governing Law. This Agreement shall be interpreted in accordance with the laws of the State of Delaware, it being understood by the Parties that this clause in no way constitutes any submission by the Tribe to the jurisdiction of the State of Delaware; and the Parties further expressly recognize and agree that, except as provided in Section 3.4, this Agreement shall be subject to all Legal Requirements as well as approval by the Chairman of the NIGC where required by IGRA. The arbitration provisions of this Agreement shall be governed by the Federal Arbitration Act, 9 U.S.C. § 1, et seq.

9.3 Authority to Execute and Perform Agreement. The Tribe and Manager represent and warrant to each other that they each have full power and authority to execute this Agreement and to be bound by and perform the terms hereof. On request, each Party shall furnish the other evidence of such authority.

9.4 Relationship. Manager and the Tribe shall not be construed as joint venturers or partners of each other by reason of this Agreement and neither shall have the power to bind or obligate the other except as set forth in this Agreement.

9.5 Further Actions. The Tribe and Manager agree to execute all contracts, agreements and documents and to take all actions necessary to comply with the provisions of this Agreement and the intent hereof.

9.6 Defenses. Except for disputes between the Tribe and Manager, the Tribe and Manager shall agree upon the bringing and/or defending and/or settling any claim or legal action brought against the Enterprise, the Manager or the Tribe, individually, jointly or severally in connection with the operation of the Enterprise, including the retention and supervision of legal counsel, accountants and other such professionals. Except as provided in section 7.4 herein, all liabilities, costs, and expenses, including attorneys' fees and disbursements, incurred in defending and/or settling any such claim or legal action which are not covered by insurance shall be an Operating Expense.

9.7 Waivers. No failure or delay by Manager or the Tribe to insist upon the strict performance of any covenant, agreement, term or condition of this Agreement, or to exercise any right or remedy consequent upon the breach thereof, shall constitute a waiver of any such breach or any subsequent breach of such covenant, agreement, term or condition. No covenant, agreement, term or condition of this Agreement and no breach thereof shall be waived, altered or modified except by written instrument. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other existing or subsequent breach thereof.

9.8 Captions. The captions for each Article and Section are intended for convenience only.

9.9 Interest. Any amount payable to Manager or the Tribe, by the other, which has not been paid when due, except advances by Manager to make the Minimum Guaranteed Monthly Payment or other Recoupment Payment because of insufficient Net Revenues, shall accrue interest at the same rate as calculated under this Section. Unless otherwise agreed by the Parties, such rate shall be a fluctuating rate equivalent to one percent (1%) over the prime interest rate as published in the Wall Street Journal, adjusted monthly, with the monthly rate established according to the rate published on the third Tuesday of the preceding calendar month.

9.10 Third Party Beneficiary. This Agreement is exclusively for the benefit of the Parties hereto and it may not be enforced by any party other than the Parties to this Agreement and shall not give rise to liability to any third party other than the authorized successors and assigns of the Parties hereto.

9.11 Brokerage. Manager and the Tribe represent and warrant to each other that neither has sought the services of a broker, finder or agent in this transaction, and neither has employed, nor authorized, any other person to act in such capacity. Manager and the Tribe each hereby agrees to indemnify and hold the other harmless from and against any and all claims, loss, liability, damage or expenses (including reasonable attorneys' fees) suffered or incurred by the other Party as a result of a claim brought by a person or entity engaged or claiming to be engaged as a finder, broker or agent by the indemnifying Party.

9.12 Survival of Covenants. Any covenant, term or provision of this Agreement which, in order to be effective, must survive the termination of this Agreement, shall survive any such termination.

9.13 Estoppel Certificate. Manager and the Tribe agree to furnish to the other Party, from time to time upon request, an estoppel certificate in such reasonable form as the requesting Party may request stating whether there have been any defaults under this Agreement known to the Party furnishing the estoppel certificate and such other information relating to the Enterprise as may be reasonably requested.

9.14 Periods of Time. Whenever any determination is to be made or action to be taken on a date specified in this Agreement, if such date shall fall on a Saturday, Sunday or legal holiday under the applicable laws, then in such event said date shall be extended to the next day which is not a Saturday, Sunday or legal holiday.

9.15 Preparation of Agreement. This Agreement shall not be construed more strongly against either Party regardless of who is responsible for its preparation.

9.16 Successors, Assigns and Subcontracting. The benefits and obligations of this Agreement shall inure to and be binding upon the Parties hereto and their respective successors and assigns. The Tribe's consent shall not be required for Manager to assign or subcontract any of its rights interests or obligations as Manager hereunder to any parent, subsidiary or affiliate of Manager, or its successor corporation, provided that any such assignee or subcontractor agrees to be bound by the terms and conditions of this Agreement and provided they are licensed by the NIGC and the Gaming Commission. The Manager may collaterally assign its interest in the Net Revenues to a Financial Institution in connection with the Loan. The acquisition of Manager or its parent company by a party other than the parent, subsidiary, or affiliate of Manager, or its successor corporation, shall not constitute an assignment of this Agreement by Manager and this Agreement shall remain in full force and effect between the Tribe and Manager, subject only to NIGC completion of its background investigation and licensure by the NIGC of the purchaser and licensure by the Gaming Commission. Other than as stated above, this Agreement may not

be assigned or subcontracted by the Manager, without the approval by the Tribe, and the Chairman of the NIGC or his authorized representative after a complete background investigation of the proposed assignee. The Tribe shall, without the consent of the Manager but subject to approval by the Chairman of the NIGC or his authorized representative, have the right to assign this Agreement and the assets of the Enterprise to an instrumentality of the Tribe or to a corporation wholly owned by the Tribe organized to conduct the business of the Enterprise for the Tribe that assumes all obligations herein. Any assignment by either Party shall not prejudice the rights of the other Party under this Agreement. No assignment authorized hereunder shall be effective until all necessary government approvals have been obtained.

9.17 Time is of the Essence. Time is of the essence in the performance of this Agreement.

9.18 Confidential and Proprietary Information.

9.18.1 Confidential Information. Both Parties agree that any information received concerning the other Party during the performance of this Agreement, regarding the Parties' organization, financial matters, marketing plans, or other information of a proprietary nature, will be treated by both Parties in full confidence and except as required to allow Manager and the Tribe to perform their respective covenants and obligations hereunder, will not be revealed to any other persons, firms or organizations except in the course of legal proceedings including arbitration as permitted by the court, arbitrator or arbitration panel. This provision shall survive the termination of this Agreement for a period of two (2) years.

9.18.2 Proprietary Information of Manager. The Tribe agrees that Manager has the sole and exclusive right, title and ownership to (i) certain proprietary information, techniques and methods of operating gaming businesses; (ii) certain proprietary information, techniques and methods of designing games used in gaming businesses; (iii) certain proprietary information, techniques and methods of training employees in the gaming business; and (iv) certain proprietary business plans, projections and marketing, advertising and promotion plans, strategies, and systems, all of which have been developed and/or acquired over many years through the expenditure of time, money and effort and which Manager and its affiliates maintain as confidential and as a trade secret(s) (collectively, the "Confidential and Proprietary Information").

9.18.3 Manager agrees that, as part of its duties under this Agreement, Manager shall train Enterprise Employees in management and operation practices required for the successful operation of the Enterprise following the expiration of the Term. In return, the Tribe agrees, upon the termination of this Agreement, to maintain the confidentiality of such Confidential and Proprietary Information, including but not limited to, documents, notes, memoranda, lists, computer programs and any summaries of such Confidential and Proprietary Information for the period required in Section 9.18.1 above and is hereby authorized by Manager to use such Confidential and Proprietary Information exclusively for Gaming operations conducted by the Tribe beyond the Term of this Agreement.

9.19 Employment Solicitation Restriction Upon Termination. The Tribe and the Tribal Council hereby agree not to solicit the employment of Manager's employees, other than members of the Tribe, their spouses and children, at any time during the Term of this Agreement without Manager's prior written approval. Furthermore, the Tribe and the Tribal Council agree not to employ such personnel, other than members of the Tribe, their spouses and children, for a period of twelve (12) months after the termination or expiration of this Agreement, without Manager's prior written approval.

9.20 Patron Dispute Resolution. Manager shall submit all patron disputes concerning play to the Tribal Gaming Commission pursuant to the Tribal Gaming Ordinance, and the regulations promulgated thereunder.

9.21 Claims Involving Authority, Etc. Manager and the Tribe each hereby agrees to indemnify and hold the other harmless from and against any and all claims, loss, liability, damage or expenses (including reasonable attorneys' fees) suffered or incurred by the other Party as a result of a claim brought by a person or entity claiming that the indemnifying Party has no authority, power or right to enter into this Agreement.

9.22 Claims brought by Green Acres Casino Management Company, Inc. The Manager hereby agrees to indemnify and hold harmless the Tribe and/or the Enterprise from and against any and all claims, loss, liability damages or expenses (including reasonable attorneys' fees) suffered or incurred by any action brought by Green Acres, Basil Green, Dorothy Green or any other shareholder, director or officer of Green Acres arising from the termination of the Original Agreements.

9.23 Release by Manager, etc. The Manager, FHRI and Green Acres each hereby releases the Tribe from any obligations, claims, expenses, costs and damages that the Manager, FHRI and/or Green Acres may have arising under the Original Agreements and/or the Royalty Agreements.

9.24 Release by Tribe, etc. The Tribe releases the Manager, FHRI and Green Acres from any obligations, claims, expenses, costs and damages that the Tribe may have arising under the Original Agreements or the Royalty Agreements.

9.25 Modification. Any change to or modification of this Agreement must be in writing signed by both Parties hereto and shall be effective only upon approval by the Chairman of the NIGC, the date of signature of the Parties notwithstanding.

10 Warranties.

10.1 Warranties. The Manager and the Tribe each warrant and represent that they shall not act in any way whatsoever, directly or indirectly, to cause this Agreement to be amended, modified, canceled or terminated, except pursuant to Section 11. The Manager and the Tribe warrant and represent that they shall take all actions necessary to ensure that this Agreement shall remain in full force and effect at all times. The parties acknowledge the existence of various litigation

challenging the validity of the Tribe's compact with the State of Michigan (*Taxpayers of Michigan Against Casinos v. State*, 254 Mich.App. 23, 657 N.W.2d 503 (Mich.App. Nov. 12, 2002)(NO. 225017, 225066) *Appeal Granted by Taxpayers of Michigan Against Casinos v. State*, 469 Mich. 902, 669 N.W.2d 816 (Mich. No. 5:99-CV-14 (United States District Court, Western District, Michigan)(1999), *aff'd*, 266 F.3d 408 (6th Cir. 2001); and the suit challenging the Interior Department's decision to accept the Property in trust, *CETAC v. Norton*, C.A. No. 1:02CV01754-TPJ (D.D.C. Apr. 23, 2004), and any certificate or other representation provided Manager by the Tribe is hereby conditioned upon the existence of any such litigation.

10.2 Interference in Tribal Affairs. The Manager agrees not to interfere in or attempt to influence the internal affairs or governmental decisions of the Tribal government by offering cash or employment incentives, by making written or oral threats to the personal or financial status of any person, or by any other action, except for actions in the normal course of business of the Manager that only affect the activities of the Enterprise. For the purposes of this Section 10.2, if after providing Manager with written notice and a hearing, the Tribe reasonably finds that the Manager has unduly interfered with the internal affairs of the Tribal government and has not taken sufficient action to cure and prevent such interference, that finding of interference shall be grounds for termination of the Agreement by the Tribe.

10.3 Prohibition of Payments to Members of Tribal Government. Manager represents and warrants that no payments have been or will be made to any member of the Tribal government, any Tribal official, any relative of a member of Tribal government or Tribal official, or any Tribal government employee for the purpose of obtaining any special privilege, gain, advantage or consideration.

10.4 Definitions. As used in this Section 10, the term "member of the Tribal government" means any member of the Tribal Council, the Gaming Commission or any independent board or body created to oversee any aspect of Gaming and any Tribal court official; the term "relative" means an individual residing in the same household who is related as a spouse, father, mother, son or daughter, aunt, uncle, nephew or niece.

11 Grounds for Termination.

11.1 Voluntary Termination. This Agreement may be terminated upon the mutual written consent and approval of the Parties.

11.2 Termination for Cause.

11.2.1 Either Party may terminate this Agreement if the other Party commits or allows to be committed any material breach of this Agreement. A material breach of this Agreement means a failure of either Party to perform any material duty or obligation on its part for ten (10) consecutive days after receiving written notice of breach from the other Party, or a finding by the Tribe that Manager has violated section 10.2 of this Agreement. Neither Party may terminate this Agreement on grounds of material breach unless it has provided written notice to the other Party of its intention to terminate this Agreement and within ten (10) days following receipt of such notice the defaulting Party fails (a) to cure the default or (b) to commence curing the default and thereafter diligently to proceed to cure the default. Discontinuance or correction of a material breach shall constitute a cure thereof.

11.2.2 The Tribe may also terminate this Agreement where the Manager has had its license withdrawn because the Manager, or a director or officer of the Manager, has been convicted of a criminal felony or misdemeanor offense directly related to the performance of the Manager's duties hereunder; provided, however the Tribe may not terminate this Agreement based on a director or officer's conviction where the Manager terminates such individual immediately after receiving notice of the conviction. Any such director or officer charged with a criminal felony or misdemeanor offense directly related to the performance of Manager's duties shall have no role in the management of the Enterprise until such time as such person is cleared of the charge or charges.

11.2.3 An election to pursue damages or to pursue specific performance of this Agreement or other equitable remedies while this Agreement remains in effect shall not preclude the injured Party from providing notice of termination pursuant to this Section 11.2.

11.3 Involuntary Termination Due to Changes in Legal Requirements. It is the understanding and intention of the Parties that the establishment and operation of the Enterprise conforms to and complies with all Legal Requirements. If during the term of this Agreement, a final judgment of a court of competent jurisdiction determines Gaming at the Enterprise is unlawful, and all appeals from such judgment have been exhausted, the obligations of the Parties hereto shall cease and this Agreement shall be of no further force and effect except as to (a) accrued liabilities to third parties, (b) to the provisions of Section 12.1 and Section 17 and (c) Manager's rights under the Loan Documents; provided that (i) the Manager and the Tribe shall retain all money previously paid to them pursuant to Section 6 of this Agreement; (ii) funds of the Enterprise in any account shall be paid and distributed as provided in Section 6 of this Agreement; (iii) any money loaned by or guaranteed by the Manager or its affiliates to the Tribe shall be repaid to the Manager from the Collateral; and (iv) the Tribe shall retain its interest in the title (and any lease) to all Enterprise fixtures, supplies and equipment, subject to any requirements of financing arrangements.

11.4 Consequences of Manager's Breach. In the event of the termination of this Agreement by the Tribe for cause under Section 11.2, the Manager shall not, prospectively from the date of termination, have the right to its Management Fee from the Enterprise, but such termination shall not affect the Manager's rights under Section 12, the Loan Documents or any other agreements entered pursuant hereto.

11.5 Consequences of Tribe's Breach. In the event of termination of this Agreement by the Manager for cause under Section 11.2, the Manager shall not be required to perform any further services under this Agreement and the Tribe shall indemnify and hold the Manager harmless against all liabilities of any nature whatsoever relating to the Enterprise arising after the date of termination, but only insofar as these liabilities result from acts within the control of the Tribe or its agents.

11.6 Notice Provision. Except where the Tribal Gaming Ordinance, the Compact, or any other applicable law or regulation provide for immediate action or action in less than 30 days time, the Tribe or the Gaming Commission shall provide the Manager notice of any alleged violation of the Tribal Gaming Ordinance and thirty (30) days opportunity to cure before the Gaming Commission may take any action based on such alleged violation.

12 Conclusion of the Management Term. Upon the conclusion of the Term, or the termination of this Agreement under other of its provisions, in addition to other rights under this Agreement, the Manager shall have the following rights:

12.1 Undistributed Net Revenues. If the Enterprise has Net Revenues (irrespective of whether such Net Revenues are known or unknown upon the expiration of the Term or the sooner termination of this Agreement) which have not been distributed under Section 6 of this Agreement, the Manager shall receive, at such time as such Net Revenues are determined, that portion of such Net Revenues that it would have received had such Net Revenues been distributed during the Term.

13 Consents and Approvals.

13.1 Tribe. Where approval or consent or other action of the Tribe is required, such approval shall mean the written approval of the Tribal Council evidenced by a resolution thereof, certified by a tribal official as having been duly adopted, or, if provided by resolution of the Tribal Council, the approval of the Tribal Gaming Commission, or such other person or entity designated by resolution of the Tribal Council. Any such approval, consent or action shall not be unreasonably withheld or delayed; provided the foregoing does not apply where a specific provision of this Agreement allows the Tribe an absolute right to deny approval or consent or withhold action.

13.2 Manager. Where approval or consent or other action of the Manager is required, such approval shall mean written approval. Any such approval, consent or other action shall not be unreasonably withheld or delayed.

14 Disclosures.

14.1 Shareholders and Directors. Manager shall provide to the Tribe and the NIGC on the date that this Agreement is submitted to the NIGC a list of all persons and entities identified in 25 C.F.R. 537.1(a) and 537.1(c)(1) and the information required under 25 C.F.R. 537.1(b).

14.2 Warranties. The Manager further warrants and represents as follows: (i) no person or entity has any beneficial ownership interest in the Manager other than as shall be identified pursuant to Section 14. 1; (ii) no officer, director or owner of five percent (5%) or more of the stock of the Manager has been arrested, indicted for, convicted of, or pleaded nolo contendere to any felony or any gaming offense, or had any association with individuals or entities known to be connected with organized crime; and (iii) no person or entity disclosed pursuant to Section 14.1 of this Agreement, including any officers and directors of the Manager, has been arrested, indicted for, convicted of, or pleaded nolo contendere to any felony or any gaming offense, or had any association with individuals or entities known to be connected with organized crime.

14.3 Criminal and Credit Investigation. The Manager agrees that all of its members and its members' shareholders (owning more than five percent (5%) of the outstanding stock), directors and officers (whether or not involved in the Enterprise), shall:

(a) consent to background investigations to be conducted by the Tribe, the State of Michigan, the Federal Bureau of Investigation (the "FBI") or any other law enforcement authority to the extent required by the IGRA or any Compact.

(b) be subject to licensing requirements in accordance with Tribal law and this Agreement,

(c) consent to a background, criminal and credit investigation to be conducted by or for the NIGC, if required,

(d) consent to a financial and credit investigation to be conducted by a credit reporting or investigation agency at the request of the Tribe,

(e) cooperate fully with such investigations, and

(f) disclose any information requested by the Tribe which would facilitate the background and financial investigation.

Any materially false or deceptive disclosures or failure to cooperate fully with such investigations by an employee of the Manager or an Enterprise Employee shall result in the immediate dismissal of such employee. The results of any such investigation may be disclosed by the Tribe to federal officials as required by law.

14.4 Disclosure Amendments. The Manager agrees that whenever there is any proposed change with respect to the persons or entities with a financial interest in, or management

responsibility for, this Agreement, it shall notify the NIGC and the Tribe of such change no later than ten days after it becomes aware of such change as required by 25 C.F.R. § 537.2. The Manager further agrees to notify the NIGC and the Tribe of any change with respect to the warranties and representations contained on Section 14.2(ii) or (iii) of this Agreement no later than ten days after it becomes aware of such change. All of the warranties and agreements contained in this Section 14 shall apply to any person or entity who would be disclosed pursuant to this Section 14 as a result of such changes.

14.5 Breach of Manager Warranties and Agreements. The material breach of any warranty or agreement of the Manager contained in this Section 14 shall be grounds for immediate termination of this Agreement; provided that (a) if a breach of the warranty contained in clause (ii) of Section 14.2 is discovered, and such breach was not disclosed by any background check conducted by the FBI as part of the NIGC or other federal approval of this Agreement, or was discovered by the FBI investigation but all officers and directors of the Manager sign sworn affidavits that they had no knowledge of such breach, then the Manager shall have thirty (30) days after notice from the Tribe to terminate the interest of the offending person or entity and, if such termination takes place, this Agreement shall remain in full force and effect; and (b) if a breach relates to a failure to update changes in financial position or additional gaming related activities, then the Manager shall have thirty (30) days after notice from the Tribe to cure such default prior to termination.

15 Recordation. If applicable, at the option of Manager or the Tribe, any security agreement related to the Loan Agreement may be recorded in any public records. Where such recordation is desired in any relevant recording office maintained by the Tribe, and/or in the public records of the BIA, the Tribe will accomplish such recordation upon the request of the Manager. Manager shall promptly reimburse the Tribe for all expense, including attorney fees, incurred as a result of such request. No such recordation shall waive the Tribe's sovereign immunity.

16 No Present Lien, Lease or Joint Venture. The Parties agree and expressly warrant that neither this Agreement nor any exhibit thereto is a mortgage or lease and, consequently, does not convey any such present interest whatsoever in the Gaming Facility or the Property, nor any proprietary interest in the Enterprise to Manager. The Parties further agree and acknowledge that it is not their intent, and that this Agreement shall not be construed, to create a joint venture between the Tribe and the Manager; rather, the Manager shall be deemed to be an independent contractor for all purposes hereunder.

17 Arbitration. Either Party may submit any dispute arising under the terms of this Agreement, the Loan Documents and any other document executed in conjunction with this Agreement to arbitration under this Section 17, including without limitation a claim that a Party has breached this Agreement and the Agreement should be terminated. Notwithstanding the foregoing sentence, the following tribal actions shall not be subject to arbitration: (i) approval of budgets; (ii) licensing decisions; (iii) governmental actions of the Tribal Council (except such actions which are intended to abrogate provisions of this Agreement); and (iv) Gaming

Commission actions taken in the course of carrying out regulatory duties and responsibilities assigned to the Gaming Commission pursuant to tribal law. Arbitration shall be the exclusive means of dispute resolution between the Parties and shall take place under the procedure set forth in this Section 17. The arbitrators shall have the right to grant injunctive relief and specific performance.

17.1 Unless the Parties agree upon the appointment of a single arbitrator, a panel of arbitrators consisting of three (3) members shall be appointed. One (1) member shall be appointed by the Tribe and one (1) member shall be appointed by the Manager within ten (10) working days' time following the giving of notice submitting a dispute to arbitration. The third member shall be selected by agreement of the other two (2) members. In the event the two (2) members cannot agree upon the third arbitrator within fifteen (15) working days' time, then the third arbitrator shall be chosen by the Chief Judge of the United States District Court for the Western District of Michigan. If for any reason the Chief Judge refuses to choose the third arbitrator, the Dean of the Law School at the University of Michigan shall make the selection.

17.2 Expenses of arbitration shall be shared equally by the Parties unless the arbitrator or arbitration panel determines that the expenses should be paid by the non prevailing Party under standards similar to those in Rule 11 of the Federal Rules of Civil Procedure. Meetings of the arbitrators may be in person or, in appropriate circumstances, by telephone. All decisions of any arbitration panel shall be by majority vote of the panel, shall be in writing, and, together with any dissenting opinions, shall be delivered to both Parties.

17.3 The arbitrator or arbitration panel shall have power to administer oaths to witnesses, to take evidence under oath, and, by majority vote, to issue subpoenas to compel the attendance of members of the Tribe, Enterprise Employees or employees, officers and directors of the Manager for the production of books, records, documents and other relevant evidence by either Party. The Tribe and the Manager agree to comply with such subpoenas.

17.4 The arbitrator or arbitration panel shall hold hearings in the proceeding before it and shall give reasonable advance notice to the Tribe and the Manager by registered mail not less than five (5) days before any hearing. Unless otherwise agreed by the Tribe and the Manager, all hearings shall be held at the Tribal Offices on the Huron Band of Potawatomi Reservation. Appearance at a hearing waives such notice. The arbitrator or arbitration panel may hear and determine the controversy only upon evidence produced before it and may determine the controversy notwithstanding the failure of either the Tribe or the Manager duly notified to appear. The Tribe and the Manager are each entitled to be heard at all hearings, to present evidence material to the matter subject to arbitration, to cross-examine witnesses appearing at the hearing, and to be represented by counsel at its own expense.

17.5 If the matter being submitted to arbitration involves a notice to terminate the Agreement for material breach, the Party seeking termination may apply to the arbitrator or arbitration panel for an order suspending performance of the Agreement during the pendency of arbitration, and the arbitrator or arbitration panel shall promptly hear and decide that application.

17.6 The decision of the arbitrator or arbitration panel shall be presumed to be valid, shall be enforceable in full in any court of competent jurisdiction and may be vacated or modified only by the United States District Court for the Western District of Michigan on one of the following grounds; (a) the decision is not supported by substantial evidence; (b) the decision was procured by corruption, fraud or undue means; (c) there was evident partiality or corruption by the arbitrator, arbitration panel or any member; (d) the arbitrator, arbitration panel or any member was guilty of misconduct in refusing to hear the question, or in refusing to hear evidence pertinent and material to the question, or any other clear misbehavior by which the rights of either Party have been substantially prejudiced; (e) the arbitrator or arbitration panel or any member exceeded its authority under the terms of this Agreement; or (f) the arbitrator or arbitration panel's decision is contrary to law.

17.7 The Tribe waives its sovereign immunity only to the extent of allowing arbitration and judicial review and enforcement under the procedures set forth in this Section 17. This Agreement does not constitute and shall not be construed as a waiver of sovereign immunity by the Tribe except to permit arbitration and judicial review and enforcement under the procedures set forth in this Section 17.

17.8 Notwithstanding this or any other provision, the arbitrator(s) may make an award of only damages or interpretation of this Management Agreement and related agreements and the only tribal income, assets and property which shall be subject to any claim or award under this Agreement are (a) any undistributed or future income, revenues or proceeds from the Enterprise and/or the Gaming Facility, including without limitation such revenues arising or generated from the Enterprise and/or the Gaming Facility after the termination of this Agreement, and (b) Gaming and related revenues from the Gaming Facility arising or generated after the date that the matter in dispute is referred to arbitration.

17.9 In no event shall this Section 17 Arbitration apply to any governmental function, action or decision of the Tribe or any of its boards, agencies or commissions.

17.10 This Section 17 shall survive the termination of this Agreement.

18 Entire Agreement. This Agreement constitutes the entire understanding and agreement of the Parties hereto with respect to the subject matter hereof and supersedes all other prior agreements and understandings, written or oral, between the Parties.

19 Government Savings Clause. Each of the Parties agrees to execute, deliver and, if necessary, record any and all additional instruments, certifications, amendments, modifications and other documents as may be required by the United States Department of the Interior, BIA, the NIGC, the Office of the Field Solicitor, or any applicable statute, rule or regulation in order to effectuate, complete, perfect, continue or preserve the respective rights, obligations, liens and interests of the parties hereto to the fullest extent permitted by law; provided, that any such

additional instrument, certification, amendment, modification or other document shall not materially change the respective rights, remedies or obligations of the Tribe or the Manager under this Agreement or any other agreement or document related hereto.

20. Execution. This Agreement is being executed in four counterparts, two to be retained by each Party. Each of the four originals is equally valid. This Agreement shall be binding upon both Parties when properly executed and approved by the Chairman of the NIGC.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the day and year first above written.
